

OPEN HOUSE is to be held tomorrow and Saturday by the Frankfort State bank in its handsome new quarters. A part of the structure is new -- the institution's growth necessitating expanded facilities -- and the rest of

it remodeled to fit in with the general plan. The officers and employees of the bank are proud of their new home and are eager to show it off to visitors.

Frankfort Bank Displays New Look At Open House

An open house for the completely remodeled and enlarged Frankfort State bank will be held Friday, June 16 from 9:00 a.m. to 3:00 p.m. and Saturday, June 17 from 9:00 a.m. to 12 noon. The public is cordially invited to attend and free gifts, coffee and doughnuts will be available.

The new interior covers an area of 3000 square feet and is completely air conditioned. The walls are of walnut paneling and a aluminum ceiling has been installed to provide better lighting by eliminating shadows.

New service counters have been purchased in keeping with the new interior, which will also provide more convenient customer service. A new \$25,000 vault has been installed.

For each new checking or savings account opened during the two-day open house the customer will receive a free ice-cream scoop valued at \$2.

The exterior of the bank is of light brick and concrete design. Serving as the bank's cashier is Howard W. Remien. Other officers include James P. Walker, assistant cashier; Alvin Bruggeman, vice-president and Albert H. Krusemark Jr., president.

Employees of the bank include Mrs. Marilyn McManimen, Mrs. Dorothy Ball, Miss Willa Schroeder and Miss Judy Hansen. Mr. and Mrs. Dan Johnson are custodians of the building.

There are six members of the

board of directors, Herman Barlewort, Arthur C. Bauch, LeRoy Bettenhausen, Adam J. Heusner, LeRoy Mager and George Tate.

Amvets Begin Four Day Carnival

Final plans are in readiness for the start of the four day carnival of the Mokena Amvets Five Point Post which begins (tonight) Thursday, June 15 and will be climaxed by a parade Sunday, June 18 beginning at 1:00 p.m.

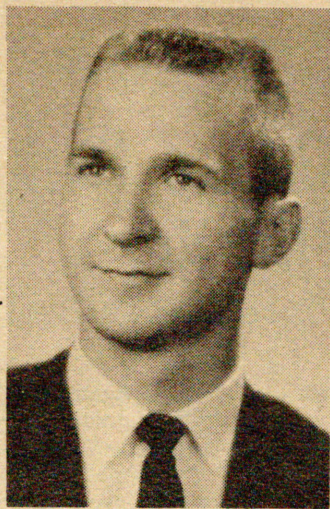

There will be various games and rides and the Amvets Auxiliary will be in charge of the food booth.

Prizes will be awarded and the main prize of \$500 cash will be announced to the lucky winner on Sunday evening around 11:00 p.m.

The carnival will be located at Wolf and LaPorte roads in Mokena.

CUTS HAND

Carl Kuntz, 23, of 417 S. Cedar Rd., New Lenox, was treated at Silver Cross hospital in Joliet Monday after he cut his hand on a piece of tin. Kuntz, a mechanic for a service station, was greasing a wheel bearing when the accident occurred.

TED DUNHAM, 21 year old twin son of Mr. and Mrs. Edwin Dunham of Mokena has received an appointment to further his study in chemistry, as a student trainee, this summer at the Atomic Energy Commission on Oak Ridge National laboratory, Oak Ridge, Tenn. He will leave on June 17 for a ten weeks' study.

Dunham received a research grant last summer from Austin College, Houston, Texas, thru the National Science foundation and was nominated by the college, from which he has completed his junior year, from one out of seven students to study at Oak Ridge.

In September he plans to work towards his Masters Degree in chemistry at Kansas State College, Pittsburg, Kansas.

Prior to entering college he will be united in marriage to Miss Jeanette Love of Houston on September 7. The couple met while attending Austin College. He was a graduate of Lincoln-Way high school with the class of 1958.

Draws Ordinance Covering Multiple Dwellings

The village board at New Lenox has a zoning ordinance in the hopper that will set up a classification covering multiple dwellings.

In the meantime it has granted Edward Lord a permit to construct such structures on two lots along Cooper street upon his agreement to abide by the provisions of the ordinance soon to be adopted and the posting of a \$10,000 performance bond to insure installation of public utilities.

Two structures are planned. They will be two stories in height and have a basement and three bedrooms. One will contain six units, the other eight.

The new ordinance will prescribe 30-foot set backs in the

front yard and specifications for side and rear yards. Sites must be of such size as to provide 2,000 square feet per family.

Mayor Stanley Gilmore was authorized to appoint a committee to confer with Levon Seron, Joliet architect, concerning amendments to the building code. This code, which was drawn by Seron, covers only single family dwellings and makes no mention of multiple dwellings or commercial and industrial structures. Trustees Donald Anderson and Evans Drotts were appointed to comprise this committee.

A final payment of \$4,352 was made to Normoyle and Berg Co., contractors who installed the sanitary sewer system for

the village. There is another item of \$1,803.20 representing overtime paid to engineers by the contractors which will be taken up after the auditor is finished with the books. The engineers were hired by the village. Under the contract overtime charges were to be borne by the contractor.

Normoyle and Berg ask to be reimbursed for \$1,803.20 which they had paid the engineers, contending that they had completed the contract in half of the time specified (six months instead of a year) and as a result the village had saved considerable engineering expense and was also ahead in collecting charges for processing of the sewerage.

"If we are held to this payment," a company spokesman told the board, "we will be penalized for completing the job ahead of schedule. We believe that the benefits derived by the village would compensate it dollar wise several times \$1,800."

Trustee Eugene Hunt is getting figures on street repairs and the village hopes to enlist the aid of the state highway department in arriving at a plan for a complete program. The village will have approximately \$14,000 available for street rehabilitation this year, Hunt said. This figure includes \$9,000 paid to the village by Normoyle and Berg covering street repairs made necessary

by the sewer installation.

Mayor Gilmore and Trustee Chester Bowman are to confer with Mr. and Mrs. Thomas D. Skene, Forest ave., in an effort to iron out their complaint. The couple complains that the sewer lateral passing their property is not deep enough to connect with their basement drain.

Under the new law pertaining to police magistrates municipalities are required to furnish quarters for court sessions. The board voted Monday night to rent space from Amos Bruns to serve Police Magistrate Ronald Whittaker. The rent is \$75 a month and includes lights and water. The agreement is on a temporary basis.

Mokena Village Board Moves To Draft Zoning Measure

A busy session of the Mokena village board, Wednesday, June 7, saw Mayor Charles J. Swanberg appoint a zoning board, reappoint the village treasurer and put the gears in operation for the purchase of a new siren. He also asked that plans be submitted for tuck pointing and masonry repairs to the village hall and a plan for proposed street repairs.

Elias Brown, Robert Geuther, Ralph Yunker, Fred Lehmann and Morris Angland will comprise the village zoning board whose purpose will be to hold a public hearing on proposed zoning ordinance plans and to present its findings to the village board for approval.

Durward L. Fant was appointed to a one year term as village treasurer. His present term expires on June 30. Fant has held the post for the past years.

Howard Schieblck, local masonry contractor, was instructed by the board to submit plans for point-tucking and other repairs to the village hall to Willard Munch who would compare the cost of repairs of other contractors with the bid of Schieblck before authorizing the work. Ralph Yunker is to also submit plans for proposed street repairs. Swanberg asked Yunker to get his plans in as quickly as possible, so there would be no delay in doing the road repairs.

The Mokena community volunteer fire department complained that the present general alarm siren no longer does an efficient job and proposed that the village join with the civil defense in obtaining a new one. A siren selected for the purpose would cost approximately \$1,600, half of which would be paid by the government through Civil Defense matching fund. This would leave a total of \$800 plus \$400 for installation to be paid by the village. However, the fire department offered to pay a portion of the \$1,000 total remaining which could quite possibly cut the cost to the village to around \$500. Swanberg instructed the committee to get the proper papers off to Washington to ascertain the exact amount to be expected from the matching fund.

Anthony Dina, local director of civil defense, asked the board to provide meeting and storage space for the local chapter. A committee was appointed to look into the matter.

Frank Murray, district manager of the Northern Illinois Gas Co., asked the board to keep the company posted on all street repairs and emergencies so that the utility could cooperate with the Village in eliminating unnecessary digging or blocking of streets.

George Bennett, for many years constable, was appointed special constable to handle parking and general policing at the AMVETS and St. Mary's carnivals and Will Tuttle announced that other special policemen would be placed on duty until the return to duty of Chief Vernon Bormet. Tuttle said that there has been many reports of drag-racing and minor vandalism since Bormet's confinement to a Joliet hospital.

Trustee Henry Shevlin an-

nounced that Clyde Yunker would start work this week on the by-pass line to be installed at the water tank. The work will require about five days and will require a two hour shut-off of all water supply one evening.

Shevlin said that plans also are being worked out with the Mokena Wallpaper Co. where an emergency supply of water could be obtained from the company's well if necessary. It would require a pump and pipes to the main on Wolf Road, but would keep the village supplied with water sufficient for household needs, it was reported. The wallpaper mill's pump could supply water at a rate of 50 gallons per minute as compared to 400 gallons a minute now supplied from the village well.

Fred Rauch Jr. proposed that fire hydrants be painted yellow or a bright red because the present white paint makes it

difficult to locate the plugs in the winter when there is snow on the ground. The question will be given further study by his committee.

Willard Munch was advised to have his committee study the problem of renumbering the buildings and renaming streets if necessary. It was suggested that this be done immediately, so the post office department can make definite plans for home delivery.

Village attorney Ramond Hoohehan advised the committee, headed by Munch that is investigating the possibility of business licenses, that licenses can be issued only when it concerns the health and welfare of the public and the cost of the license is not to be a tax, but is to pay the cost of a service such as an inspection of sanitary or safety conditions.

Bond Issue For Frankfort School Addition Carries

A hard fought campaign which found residents of the district almost evenly divided the proposed \$145,000 bond issue for an addition to the Frankfort grade school was approved at a referendum last Saturday (June 10) by a plurality of 13. The final count was 290 for as opposed 277 against the proposition. There were six spoiled ballots.

According to those familiar with the situation this is the largest school vote ever polled in District 17-C.

Proponents, as well as opponents of the bond issue practically conducted a door-to-door canvass for votes and as a result there were few neutrals in the district.

The board met Monday night to canvass the vote, thus making the returns official and steps will be taken immediately to get action of actual construction.

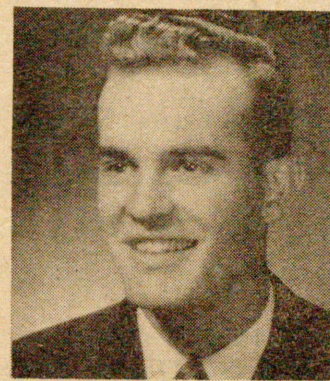

The board last week arranged with St. Peter's church to rent a room to conduct classes there next fall at a rental of \$100 a month, exclusive of janitor service, which was estimated at an additional \$160. The board also would be responsible for any decorating that might be required at the close of the school year. It was estimated that to rent a room from the church would cost the district approximately \$2,500 for the school year.

It is the board's hope now that at least one class room of the addition can be made ready by September and so eliminate the necessity of renting space at the church.

The addition is to contain four class rooms and a multipurpose room that can be converted into two classrooms, plus some needed office and storage space.

The bond issue was beaten when it came up in April by 48 votes, 288 to 240. A total of 540 votes were cast there as compared to 582 last Saturday.

At the board meeting last week the new teacher scheduled

HENRY IRVING CLARK III, Mokena, was among the candidates for degrees at the 62nd annual commencement of Northern Illinois university at DeKalb last Saturday, June 10. The ceremonies were conducted on Glidden Field for the largest class in the school's history. There were 755 candidates for degrees or 26 more than the 1960 total. Clark was one of 479 students to receive a degree of bachelor of science in education.

Will Shut Off City Water

In order to make final connections on a by-pass below the Mokena village water tower the city water will be shut off (tonight) Thursday June 15 for approximately three hours beginning at 8:00 p.m. If inclement weather prevails work will begin Friday night.

Clyde Yunker, contracted by the village board to do the necessary work, states that in time additional piping below the tower will be in need of repairs and by installing a by-pass now it will eliminate future water shut offs, which could necessitate a 24 hour period.

Fathers Day

Father's Day, which has been acclaimed as the third Sunday in June, will be observed this Sunday, June 18.

The first Father's Day was started in 1910 by Mrs. John Bruce Dodd of Spokane, Wash., and later the custom spread thruout the United States. In 1936, a national Father's Day committee was formed, with headquarters in New York city. In some cities, the Father of the Year is elected annually.

Recreation Program To Open

The New Lenox summer playground program, sponsored by the village, will get underway Monday, June 19, at the Lions Den. Ronald Larson, wrestling coach at Lincoln-Way high school will again be in charge this year. He will be assisted by Jeanine Peters, an L-W student.

The program is designed to serve youngsters from six years of age to high school. A variety of games will be played, including whiffle (there will be two leagues in this) and badminton.

Arts and crafts also will be taught and youngsters are asked to bring old newspapers with them Monday for the manufacture of a supply of paper-mache.

The sessions will be held Monday thru Friday from 9 a.m. to noon for a six-week period.

There is no charge.

Family Fitness Program To Start Monday

The Mokena family fitness program, which has been recently organized, will start Monday, June 19 at the Carpenter street school and at the community park.

Four instructors have been engaged to teach dancing, gymnastics and sports for all age groups. From 9:00 a.m. to 12 noon and 1:00 to 4:00 p.m. Monday thru Fridays Miss Sharon Cappel will conduct a surprise park program for children of ages five to 14. Various activities and games will be offered consisting of archery, baseball, small area games, croquet, miniature golf, badminton, inactive games etc. This program will last for eight weeks and will give the children a chance to learn various games and in getting along with others.

Starting at 10:00 a.m. to 12 noon and 1:30 to 3:30 p.m. on the same day gymnastics, dancing and other sports will be offered at the Carpenter street school with William Donaldson in charge.

A SURPRISE bon voyage party was given for Carol Sherwood, of Mokena, Lincoln-Way high school student who left last Friday for Holland where she is to spend the summer under the student exchange program. The party was given by Tom Marcoux on Wednesday of last week at the home of his parents Mr. and Mrs. Leo Marcoux, with some 25 classmates and friends attending. In the top photo Miss Sherwood is holding up a gift from the group and in the side picture -- a sort of coals -- to -- Newcastle motif -- she is trying on a pair of wooden shoes. The young man fitting the shoe is Tom Marcoux, the youth seated is Randall Smith. Miss Sherwood flew to Montreal Friday and from there sailed aboard the liner, Seven Seas, for Rotterdam.

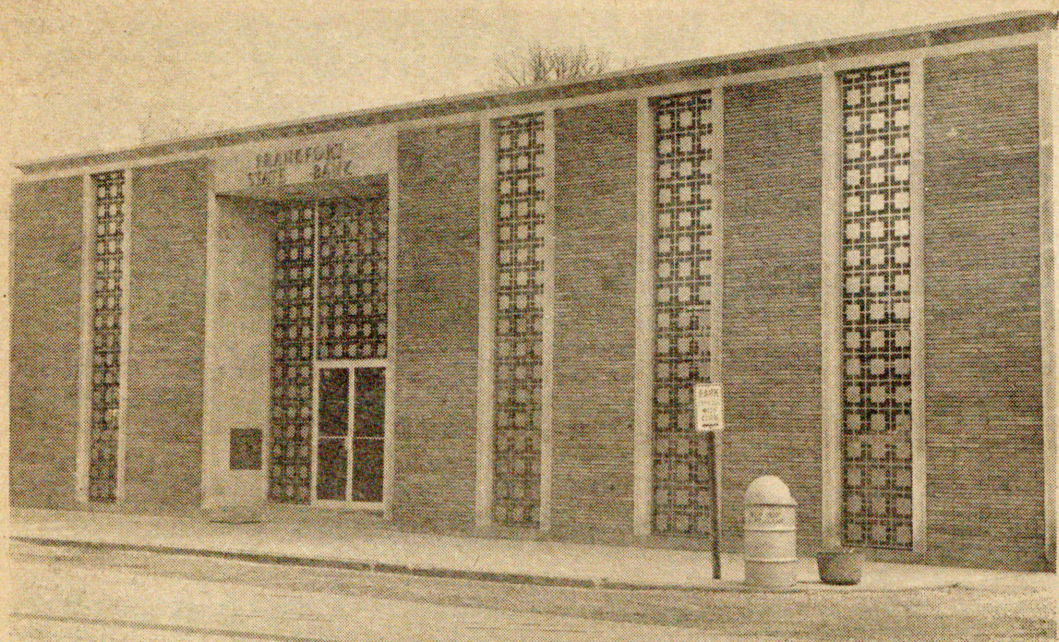

LICENSE REVOKED

A New Lenox man was among the 17 Will county residents to lose their driving privileges in Illinois during the past week. R. W. McElfresh of 205 S. Cedar Rd., suffered the revocation of his license, as a result of a drunken driving charge.

ANNUAL DOUGHNUT TAG SALE for the Salvation Army was conducted last Friday and Saturday at Frankfort, Patty Burns (left) and Karen Rahm (right) are just concluding a sale to Mrs. Charles McManimen, Mrs. McManimen, of course, bought one for herself,

but when this picture was taken she was serving as the tag buyer for the Frankfort State bank, in which she is employed. The drive at Frankfort netted \$78.87 for the Salvation Army.

OPEN HOUSE is to be held tomorrow and Saturday by the Frankfort State bank in its handsome new quarters. A part of the structure is new -- the institution's growth necessitating expanded facilities -- and the rest of

it remodeled to fit in with the general plan. The officers and employees of the bank are proud of their new home and are eager to show it off to visitors.

Frankfort Bank Displays New Look At Open House

Mokena Village Board Moves To Draft Zoning Measure

A busy session of the Mokena village board, Wednesday, June 7, saw Mayor Charles J. Swanberg appoint a zoning board, reappoint the village treasurer and put the gears in operation for the purchase of a new siren. He also asked that plans be submitted for tuck pointing and masonry repairs to the village hall and a plan for proposed street repairs.

Elias Brown, Robert Geuther, Ralph Yunker, Fred Lehmann and Morris Angland will comprise the village zoning board whose purpose will be to hold a public hearing on proposed zoning ordinance plans and to present its findings to the village board for approval.

Durward L. Fant was appointed to a one year term as village treasurer. His present term expires on June 30. Fant has held the post for the past years.

Howard Schiebllick, local masonry contractor, was instructed by the board to submit plans for point-tucking and other repairs to the village hall to Willard Munch who would compare the cost of repairs of other contractors with the bid of Schiebllick before authorizing the work.

Ralph Yunker is to also submit plans for proposed street repairs. Swanberg asked Yunker to get his plans in as quickly as possible, so there would be no delay in doing the road repairs.

The Mokena community volunteer fire department complained that the present general alarm siren no longer does an efficient job and proposed that the village join with the civil defense in obtaining a new one. A siren selected for the purpose would cost approximately \$1,600, half of which would be paid by the government through Civil Defense matching fund. This would leave a total of \$800 plus \$400 for installation to be paid by the village. However, the fire department offered to pay a portion of the \$1,000 total remaining which could quite possibly cut the cost to the village to around \$500. Swanberg instructed the committee to get the proper papers off to Washington to ascertain the exact amount to be expected from the matching fund.

Anthony Dina, local director of civil defense, asked the board to provide meeting and storage space for the local chapter. A committee was appointed to look into the matter.

Frank Murray, district manager of the Northern Illinois Gas Co., asked the board to keep the company posted on all street repairs and emergencies so that the utility could cooperate with the Village in eliminating unnecessary digging or blocking of streets.

George Bennett, for many years constable, was appointed special constable to handle parking and general policing at the AMVETS and St. Mary's carnivals and Will Tuttle announced that other special policemen would be placed on duty until the return to duty of Chief Vernon Bormet. Tuttle said that there has been many reports of drag-racing and minor vandalism since Bormet's confinement to a Joliet hospital.

Trustee Henry Shevlin announced that Clyde Yunker would start work this week on the by-pass line to be installed at the water tank. The work will require about five days and will require a two hour shut-off of all water supply one evening.

Shevlin said that plans also are being worked out with the Mokena Wallpaper Co. where an emergency supply of water could be obtained from the company's well if necessary. It would require a pump and pipes to the main on Wolf Road, but would keep the village supplied with water sufficient for household needs, it was reported. The wallpaper mill's pump could supply water at a rate of 50 gallons per minute as compared to 400 gallons a minute now supplied from the village well.

Fred Rauch Jr. proposed that fire hydrants be painted yellow or a bright red because the present white paint makes it difficult to locate the plugs in the winter when there is snow on the ground. The question will be given further study by his committee.

Willard Munch was advised to have his committee study the problem of renumbering the buildings and renaming streets if necessary. It was suggested that this be done immediately, so the post office department can make definite plans for home delivery.

Village attorney Ramond Hoolehan advised the committee, headed by Munch that is investigating the possibility of business licenses, that licenses can be issued only when it concerns the health and welfare of the public and the cost of the license is not to be a tax, but is to pay the cost of a service such as an inspection of sanitary or safety conditions.

Bond Issue For Frankfort School Addition Carries

A hard fought campaign which found residents of the district almost evenly divided the proposed \$145,000 bond issue for an addition to the Frankfort grade school was approved at a referendum last Saturday (June 10) by a plurality of 13. The final count was 290 for as opposed 277 against the proposition. There were six spoiled ballots.

According to those familiar with the situation this is the largest school vote ever polled in District 1.7-C.

Proponents, as well as opponents of the bond issue practically conducted a door-to-door canvass for votes and as a result there were few neutrals in the district.

The board met Monday night to canvass the vote, thus making the returns official and steps will be taken immediately to get action of actual construction.

The board last week arranged with St. Peter's church to rent a room to conduct classes there next fall at a rental of \$100 a month, exclusive of janitor service, which was estimated at an additional \$160. The board also would be responsible for any decorating that might be required at the close of the school year. It was estimated that to rent a room from the church would cost the district approximately \$2,500 for the school year.

It is the board's hope now that at least one class room of the addition can be made ready by September and so eliminate the necessity of renting space at the church.

The addition is to contain four class rooms and a multipurpose room that can be converted into two classrooms, plus some needed office and storage space.

The bond issue was beaten when it came up in April by 48 votes, 288 to 240. A total of 540 votes were cast there as compared to 582 last Saturday.

At the board meeting last week the new teacher scheduled

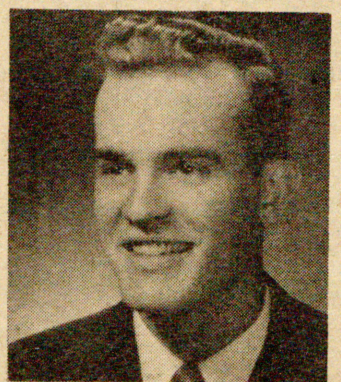

for the second section of the fifth grade next year, William George, of Joliet was introduced. He was employed at Peotone for the past year.

In other action the board voted to redecorate the classrooms damaged when the water-pipes burst last winter. Paul Lambrecht suggested the board consult the architect as to colors. The cost of redecorating is covered by insurance. Leaks in the roof over the gymnasium also are to be repaired.

The future school site in Connecticut Hills has been leased to Lincoln-Way high school for use by its chapter of Future Farmers of America.

INJURED DIVING

Stanley Douglas, 16, of 926 S. Cedar Rd., New Lenox, was injured Monday afternoon when he struck his head on a board while diving at Nowell swimming pool in Joliet. He was treated at Silver Cross hospital.

HENRY IRVING CLARK III, Mokena, was among the candidates for degrees at the 62nd annual commencement of Northern Illinois university at DeKalb last Saturday, June 10. The ceremonies were conducted on Glidden Field for the largest class in the school's history. There were 755 candidates for degrees or 26 more than the 1960 total. Clark was one of 479 students to receive a degree of bachelor of science in education.

Will Shut Off City Water

In order to make final connections on a by-pass below the Mokena village water tower the city water will be shut off (tonight) Thursday June 15 for approximately three hours beginning at 8:00 p.m. If inclement weather prevails work will begin Friday night.

Clyde Yunker, contracted by the village board to do the necessary work, states that in time additional piping below the tower will be in need of repairs and by installing a by-pass now it will eliminate future water shut offs, which could necessitate a 24 hour period.

Fathers Day

Father's Day, which has been acclaimed as the third Sunday in June, will be observed this Sunday, June 18.

The first Father's Day was started in 1910 by Mrs. John Bruce Dodd of Spokane, Wash. and later the custom spread thruout the United States. In 1936, a national Father's Day committee was formed, with headquarters in New York city. In some cities, the Father of the Year is elected annually.

Recreation Program To Open

The New Lenox summer playground program, sponsored by the village, will get underway Monday, June 19, at the Lions Den. Ronald Larson, wrestling coach at Lincoln-Way high school will again be in charge this year. He will be assisted by Jeanine Peters, an L-W student.

The program is designed to serve youngsters from six years of age to high school. A variety of games will be played, including whiffle (there will be two leagues in this) and badminton.

Arts and crafts also will be taught and youngsters are asked to bring old newspapers with them Monday for the manufacture of a supply of paper-mache.

The sessions will be held Monday thru Friday from 9 a.m. to noon for a six-week period.

There is no charge.

Family Fitness Program To Start Monday

The Mokena family fitness program, which has been recently organized, will start Monday, June 19 at the Carpenter street school and at the community park.

Four instructors have been engaged to teach dancing, gymnastics and sports for all age groups. From 9:00 a.m. to 12 noon and 1:00 to 4:00 p.m., Monday thru Fridays Miss Sharon Cappel will conduct a surprise park program for children of ages five to 14. Various activities and games will be offered consisting of archery, baseball, small area games, croquet, miniature golf, badminton, inactive games etc. This program will last for eight weeks and will give the children a chance to learn various games and in getting along with others.

Starting at 10:00 a.m. to 12 noon and 1:30 to 3:30 p.m. on the same day gymnastics, dancing and other sports will be offered at the Carpenter street school with William Donaldson in charge.

ANNUAL DOUGHNUT TAG SALE for the Salvation Army was conducted last Friday and Saturday at Frankfort, Patty Burns (left) and Karen Rahm (right) are just concluding a sale to Mrs. Charles McManimen. Mrs. McManimen, of course, bought one for herself,

but when this picture was taken she was serving as the tag buyer for the Frankfort State bank, in which she is employed. The drive at Frankfort netted \$78.87 for the Salvation Army.

Orland Park Westlund Home Scene Of Jr. Woman's Club Meeting

MRS. SHERMAN KNOX
Tel. FI 9-0211

At an informal coffee held in the home of Mrs. Milton Westlund, Laguna Woods, on Saturday, June 10 Mrs. Robert Johnson was presented a past president's pin of the Junior Woman's club for the office she held during the past two years. Others attending the tea were Mesdames; Billy Bishop, Oscar Enk, Robert Johnson, Robert Nelson, William Nelson, Leslie Oliver and Glenn Wiedemann. It was announced that the club will have a civil defense department this year with Mrs. Merrill Cooper as chairman.

SCOUT NEWS
Some 180 mothers attended the mother and daughter tea given by the Girl Scouts recently in the Elementary school.

The ceremony was opened with the salute to the flag led by Sandra Pour, Troop 67 as sergeant at arms, Christine Leach, Liz O'Connor, Linda Elliot of Troop 67, Sandra Karaba, Linda Horn, Louise Wydeveld, Troop 211; Penny Withers, Susan Weller, Victoria Peterson, Brownie troop 307 were all color guards.

Welcoming the mothers and introducing the troops and leaders were presented by Mrs. Betty Thurston, neighborhood chairman. She also presented Mrs. Richard Yang with a Girl

Scout staute, as a momento and appreciation for the girls for her seven years of service in the Scout movement.

Following a Court of Honor, when the Scouts received badges and awards they had earned, skits and songs providing the entertainment were given by the following groups; Brownie troops 296, 180, 605, 307, 349 and 420 and Intermediate troop 67, 311, 576 and 451.

Mr. John E. Herron, Scout Master of Troop 318 and 16 of the boy scouts enjoyed a week-end camporee at Camp Sullivan, 147th and Oak Park Ave. On June 25th, Mr. Herron and Dallas McGhee will accompany 20 of the Scouts for a weeks outing at Camp Betz, Mich.

Wednesday, June 14, members of Laurel Camp, Royal Neighbors, held their annual picnic for the juvenile members, at the Forest Preserve on 143rd St. and Highland Ave., Orland Park. A potluck dinner was served at 12:40 p.m. Games were played, prizes awarded and favors presented.

Mr. and Mrs. George Thoms entertained relatives at a dinner, Sunday, June 4 in honor of their son Franklin, who graduated from 8th grade at St. Michael's School, Monday, June 5. After the graduation ceremonies, they entertained some of their neighbors.

Mrs. Adele Cooper, past president of senior Woman's Club, and members of Third District, headed by Mrs. George V. Malmgren, president of the Illinois Federation of Women's clubs, attended the convention of the General Federation at Miami Beach, Fla., which opened June 5.

Mrs. Mabel Ekberg is home from the hospital and convalescing nicely.

ART FAIR
The second annual Art Fair will be held in Laguna Woods, in September. Any artist wishing to exhibit, please phone FI 9-3117 or FI 9-2997.

Richard E. Farr, son of Mr. and Mrs. Richard O. Farr of 14427 Beacon street received his Bachelor of Science degree at commencement program at Illinois Wesleyan university at Bloomington, Sunday, June 4.

Robert Miller, head of the Bob Miller Mercury-Comet Inc, recently attended a two-day marketing management conference at Brown's Lake, Burlington, Wisc.

Craig R. Reuter, son of Dr. and Mrs. Raymond Reuter, Route 1, is one of 250 seniors graduating June 12 from Denison University, Granville, Ohio. A graduate of Carl Sandburg high school, he majored in speech and earned the bachelor of arts degree.

In addition to his degree, he is one of 11 students who are being commissioned as second lieutenants in the US Air Force at the commencement after successful completion of four years AFROTC training.

He is a member of Delta Upsilon fraternity and the men's glee club.

SPRING MUSICAL
The piano pupils of Mrs. Eugene Paschall presented a spring musical in two parts, held in the Elementary school on Sunday, June 4.

Following a welcoming speech by Deborah Blades piano solos were played by; Michael Pihl, Joyce Macander, Joyce Paschall, Bruce Cooper, William McKinley, David Saul, Deborah Blades, Victoria Graham, Karen Doubek, Agnes Saul, Ann Paschall and Donna Szufnarowski.

A puppet show entitled The Hare and the Tortoise with music by Ada Richter was presented during the second part of the program. The narrator for the show was Agnes Saul and property manager was in charge of David Saul. Those taking part in the show were; Victoria Graham, William McKinley, Joyce Paschall, Michael Pihl, Bruce Cooper, Joyce Macander, Karen Doubek, Ann Paschall, Deborah

Marley Woman's Club Elects Mrs. Parchem President

MRS. LOREN SASS
Tel. HU 5-3133

The missionary society will meet at the Marley church on Wednesday, June 21 at 1:30 o'clock. The program, "Life of a Missionary" will be presented by Mrs. Jack Jordan. The devotions will be given by Mrs. Clare Berg. The hostesses will be Mrs. Daniel Sass, Mrs. Joe Bruns, Miss Cora Hyink and Mrs. Glenn Peterson.

The Marley Woman's club held their final meeting for the season at a picnic at the Marley church on Thursday June 8. A planned picnic dinner was served at noon with Mrs. Victor Zaloudek and Mrs. Adella Sproat in charge. Mrs. William Dudlcek presided during a short business session and turned the gavel over to the new president, Mrs. Freida Parchem, who will begin her duties in September. She announced the following as her committee chairmen: legislative, Mrs. Eugene Anderson; chum, Mrs. Harold Mohney; program, Mrs. William Dudlcek; garden, Mrs. Royal Corp and special events, Mrs. John Hasibar. After the meeting games were enjoyed under the direction of Mrs. John Peceniak.

Mr. and Mrs. John Brock of Santa Cruz, California, were visitors on Wednesday in the home of Mr. and Mrs. John Riley.

Clifford Barry underwent surgery the past week in the Silver Cross hospital.

The Twelve Trumps met Wednesday night in the home of Mrs. Charles Elliott with Mrs. Charles Ingram as hostess. Prizes were awarded to Mrs. Daniel Sass, Mrs. Henry Volz and Mrs. Elliott. Refreshments were served by the hostesses.

Mr. and Mrs. Loren Sass and family and Mr. and Mrs. Daniel Sass attended the wedding of Miss Neda Lynn Bridge and Larry Allyn Pyles in the Richards Street Methodist church in Joliet on Saturday evening, June 10. Miss Bridge is the daughter of Mr. and Mrs. Walter Bridge of Elwood, former Marley residents.

Students home from college for the summer are Robert Stel-

New Lenox Babe Ruths Tap Manteno In Loop Tilt 3-2

The New Lenox Babe Ruth baseball team, coached by Ron Larsen of the Lincoln-Way athletic department, took a 3-2 victory over Manteno in a Tri - County league tilt last Thursday, June 8.

The New Lenox club started out with two runs in the first and added another in the fifth, which was a good thing because the Mantenos hammered in two tallies in the last of the sixth which was the final inning.

Tom Grimes led the Lenox crew in the hitting with two that brought in two runs, Ray Jast and John Lord came up with some nice fielding plays in support of Wayne Fuchs, the winning pitcher. Wayne went all the way, striking out seven and limiting Manteno to four hits, or one less than the New Lenox total.

Honor Local Graduates At Numerous Gatherings

MRS. KATHARINE HEISNER
Tel. Frankfort 5187

Following the graduation exercises at Lincoln-Way high school Tuesday evening, numerous families entertained in honor of their sons and daughters who were in the graduating class. A social evening with refreshments being served was held at each home.

Mr. and Mrs. Robert Breidert entertained in honor of their son, Robert. About 50 relatives and friends attended.

In the Lester Heisner home, two were honored, their son, Douglas, and cousin, Lorna Miller. There were 35 guests in attendance.

Diane Schoen, daughter of Mr. and Mrs. Walter Schoen, was the honored guest with about 20 guests present.

Mr. and Mrs. Orval Schroeder honored their daughter, Leanne, with 40 relatives and friends calling at the Schroeder home.

Open house was held in honor of Duane Warning, son of Mr. and Mrs. Stanley Warning.

At the Clarence Waldvogel home, their son, Allen, was the special guest of honor when relatives and friends called to congratulate him.

A social gathering was held at the Lester Christiansen home in honor of their son, Wayne.

About 20 relatives and friends were present.

Thirty guests celebrated the event at the home of Mr. and Mrs. Clyde Schofield in honor of their son, James.

Diane Flentje was honored when relatives came on Monday evening to the home of her parents, Mr. and Mrs. Henry Flentje, for a social evening.

A social gathering at Mr. and Mrs. Lloyd Brandan's home in Lincoln Meadows was in honor of their son, Lloyd, who was one of the graduates. About 30 relatives and friends were entertained.

Various social gatherings were held in the homes of eighth grade graduates Monday evening following the exercises.

At the Howard Osmus home, 40 relatives and the faculty were entertained in honor of their son, Kim.

Karen Rahm, daughter of Mr. and Mrs. Scherril Rahm, was honored with a party for about 20 guests.

Relatives gathered to honor Robert and Ronald Smith, twin sons of Raymond Smith and grandson of Mrs. Homer Smith.

Holly Mossel's parents, Mr. and Mrs. Henry Mossel, entertained approximately 30 guests for the evening in her honor.

At the Wendell Morrison home, in honor of their son,

William 30 guests spent a social evening.

Attorney and Mrs. Albert Krusemark held open house for their daughter, Mary, with the Howard Remlen family present. Their daughter, Carol, was also an honored graduate.

Twenty five friends and relatives called at the Vernon Hanson home with their son, Ronald, as the guest of honor.

Patty Burns, daughter of the Robert Burns, was given special recognition when 25 guests called at her home.

A dinner was served in the Edward Beltz home after the exercises to honor their daughter, Patsy, with 35 guests present.

Bonnie Fredin, daughter of Mr. and Mrs. Robert Fredin, was honored when relatives called at her home.

Two social gatherings were combined at the Howard Seemann home with their daughter, Barbara, and her cousin, Rita Schinkowski, being the honored guests.

A social evening for Russell Batson, son of Mr. and Mrs. Eugene Batson, was held with about 35 relatives and friends in attendance.

Relatives and friends gathered at the home of Mr. and Mrs. Robert Simpson in honor of their son, Robert.

Don Ferrell, son of Mr. and Mrs. Glenn Ferrell, was honored with some relatives visiting that evening.

Pat Brandan was the honored guest when her parents, Mr. and Mrs. Lloyd Brandan, entertained 30 relatives and friends.

Mr. and Mrs. Charles Levin entertained a group of relatives from Chicago in honor of their son, David, who was graduated.

Mr. and Mrs. Charles Bobzin entertained for their daughter, Sharon, who was an eighth grade graduate. Luncheon was served with a large decorated cake.

Guests were her teachers Mr. and Mrs. LeRoy Olsson, Mr. and Mrs. Leroy Wright, Russell Davenport, Mr. and Mrs. Henry Kwasneski of Harvey, Mr. and Mrs. Harry Scudella and family of Matteson, Mayor and Mrs. George Sangmeister, Mr. and Mrs. James Scudella, Joyce Blaylock, Sandra, Roy, Raymond, John and Steven Bobzin, all of Frankfort. Sharon received gifts.

About 170 members attended the Frankfort grade school alumni banquet held at the Methodist church Fellowship hall Wednesday evening.

Newly elected officers for the coming year are Ralph Nieland, president; Janet Folkers, vice president; Yvonne Piepenbrink, secretary, and Lynn Kohlhaugen, treasurer. The new nominating committee selected were Donald Schroeder, Mrs. Howard Seemann and Mrs. Stanley Warning.

Prizes were awarded to the following: for coming the longest distance, Mrs. Ray Osmus of Jackson, Mich.; the largest purse, Mrs. Lloyd Brandan; closest birthday, June 7, James Logan; Mystery guest, Lynn Kohlhaugen, and having the most pennies, Nancy Smith.

Robert Breidert and Albert Krusemark, III, have left for Miami, Fla., for a two week vacation. They will visit with the former's grandparents, Mr. and Mrs. Fred Heisner as well as places of interest.

The Band Boosters and their families held an outing and potluck dinner Sunday at the North

Van Horn woods.

Mr. and Mrs. Carl Baumann and son, Dale, or Hobart, Ind., visited with Mr. and Mrs. Arthur Baumann Sunday evening.

Rev. and Mrs. Arnold Bizer and family of Alhambra spent several days this week with his parents, Rev. and Mrs. Erich Bizer.

Rev. and Mrs. Armon Tendon of Freeport were overnight guests of Rev. and Mrs. Erich Bizer last Thursday evening.

Mr. and Mrs. Stanley Warning attended a wedding and reception Saturday at Summit. On Sunday, along with their son, they were dinner guests of Mr. and Mrs. Walter Plum at Bradley.

Mr. and Mrs. Arthur Marti, Mrs. Carrie Smith, Raymond Smith and family, Mr. and Mrs. Franklin Christiansen and Roger, Mr. and Mrs. Scherril Raym and family, Mr. and Mrs. Oran Deist and family and Mr. and Mrs. Harold Smith and family were Sunday evening dinner guests of Mr. and Mrs. Emil Deist at Wilmington.

Mr. and Mrs. Grant Geuther entertained about 50 relatives and friends at their home Sunday in honor of their daughter, Karen, who was graduated from Lincoln Way high school. A potluck dinner and social evening was held.

Diane Reils, an eighth grade graduate, and her brother, Dale, a high school graduate, were honored guests when their parents, Mr. and Mrs. Clyde Reils entertained about 35 relatives and friends at their home Sunday evening at a buffet luncheon.

Charles Otto arrived home last Saturday from Swarthmore college in Pennsylvania for the summer vacation.

Rev. and Mrs. James Parker and Ann Carol attended the dedication of the remodeled church edifice at Franklin Grove Sunday afternoon.

Among the students from Frankfort who were graduated from Joliet junior college Thursday evening were Miss Donna Miller, daughter of Mr. and Mrs. Harry Miller, and John Nicholson, son of Mr. and Mrs. Dwight Nicholson.

IN THE CHURCHES
METHODIST
Rev. James A. Parker, pastor. Worship service will be combined with Sunday school, beginning at 9:30 a.m. This schedule will continue for the summer months.

Sunday was recognition Sunday.

day of grade, high school and college graduates at the Methodist church. Honored in the grade school class were Pat Brandan, Sandra Eis, Donald Ferrell, John Harwood, David Lewin, William Morrison, Martha Otto and Diane Reils.

For high school were Lloyd Brandon, Mary Grotervald, Leona Guzik, Leland Harwood, Douglas Heisner, Lorna Miller, Judy Mulligan, Dale Reils, Russell Simmons and Duane Warning.

In junior college were Donna Miller and John Nicholson.

ST. PETERS
Rev. Erich Bizer, pastor
Worship service - 10:30 a.m.
Sunday School - 9:30 a.m.; located on Sauk Trail and La Porte Road.

Sunday, June 18, Fathers Day will be observed and all fathers are asked to attend their children's Sunday school classes.

Monday, June 19 - The Men's Brotherhood is sponsoring a trip by chartered bus to the White Sox baseball game. Anyone interested in attending call Glenn Schroeder at 2782.

Sunday, June 25 - Children's day with the annual potluck dinner and outing at North Van Horn woods.

GOOD SHEPHERD LUTHERAN
Rev. Adolph Ullrich, pastor
Worship service 11:15 a.m.
Sunday School - 9:45 a.m.; located on Hickory Street.

Mr. and Mrs. George Smego and Mr. and Mrs. John Smego Jr. of Joliet held an open house Sunday, June 11, in the latter's home for 3:00 to 10:00 p.m. in honor of Sharon and Tom Smego graduations from high school and Donald, and John Smego III and Greg Reiter from grade school. Greg is the son of Mr. and Mrs. Robert Reiter of New Lenox.

A buffet supper was served at 5 o'clock to some 50 relatives and friends attending from Joliet, New Lenox, Frankfort, Mokena and Westmont.

Michael, seven year old son of Mr. and Mrs. Smego, returned Sunday from Silver Cross hospital where he underwent major surgery.

Centralia, Ill., the present center of population of the United States, was founded by and named for a railroad, the Illinois Central System, in 1853.

The nation's fire losses during the last 10 years totaled more than \$11.7 billion, according to National Fire Protection Association estimates.

New Officers Are Listed By FTA Club

Preceding the business meeting a pot-luck dinner was served at the Lincoln-Way chapter of the Future Teachers of America held at the school June 8.

At a previous meeting election of officers were held for the coming year and those elected to serve are: Arlene Lauffer, president; Carol Wilson, vice-president; Ann Lembke, secretary and Paul Brown, treasurer.

Ten standing committees were assigned to carryout various club functions for next year. The chairman are as follows: Mary McLaughlin, tutoring; Karen Weems, scrapbook; Nancy Beedle, reporter; Clara Chapman, point system; Terry Larson, librarian; Carol Lichtenwalter, guides; Mary Ann Sampson, junior-senior observation; Gayle Huss, social activities; Donna Bruce, concessions and Donna Hussey, correspondence.

The Hampshire Inter-Library Center in the Connecticut Valley of Massachusetts is jointly operated by four colleges -- Amherst, Mount Holyoke, Smith and the University of Massachusetts. The center is a research library for the use of faculty and advanced undergraduates.

State Income Tax

Look out there, neighbor! That fellow jammed up against you in front and giving the sob story about there being no money for the schools, is just trying to monopolize your attention so the fellow behind you can get his hand in your pocket and nab your pocketbook.

It won't do you any good to holler for the police. The police can't help you because these lads' hope to make it legal to lift your wallet thru passage of an income tax law.

By a vote of 18 to 13 this week the Illinois house revenue committee approved a proposal for a state income tax with a reduction in the state sales tax.

Sponsor of the bill, Rep. Stuart Trynor, (D) of Taylorville, proposes a law which would impose a tax equal to five per cent of the amount a person pays in federal income tax.

He suggested that the state sales tax be reduced then from three to one cent.

With Mayor Daley and Governor Kerner both plugging away for an increase in the sales tax and various taxing bodies and bureaucrats crying to high heaven that their coffers are empty and more and greater revenue is needed if they are to meet the demands of the public for service and the faithful for jobs, anyone who believes talk of reducing taxes is naive, to say the least.

The sponsor of the bill does not guarantee there would not be an increase in the proposed five per cent income tax and there is no reason to suppose that if the legislature did reduce the sales tax it would not hike it again.

The Administration is sponsoring an amendment to the revenue article of the constitution which if adopted would give the legislature a blank check in writing tax laws.

The saving thing in this, of course, is that such an amendment would have to be approved by the voters of the state and it doesn't seem likely that such approval could be obtained.

It would be better for the public if the state government trimmed out the fat in the appropriations for its various departments than to permit it to impose more taxes.

Countryside News And Views

WILLIAM F. WHITESIDE
COOK COUNTY ASSOC.
FARM ADVISER

TINLEY PARK -- KE 2-4369

"Exercise is the most important and the most neglected of practices that individuals should utilize to enjoy added years of life. It is the master conditioner for the health and the major therapy for the ill." So says Dr. Edward L. Bortz. Why do I mention this? Because the major 4-H health activity of the year will be coming up soon. It is the 4-H Keeping Fit Field Day which will be held June 15, at 9:00 a.m., at the Rich Township High school, Park Forest.

4-H members in south suburbia are invited and encouraged to attend. This program will be conducted by two fitness specialists from the University of Illinois. By a series of tests, these specialists will determine the fitness of 4-H club members. These tests will measure strength, flexibility, endurance, pulse recovery and breathing capacity. Since 4-H members are building today their health of tomorrow, this program becomes doubly important.

Training in vegetable judging was conducted for four 4-H Club members last week. Participating in the training were:

Elaine, Leslie and Melvin Yunker, Orland Park and Ralph McCloy, Des Plaines.

Controlling weeds in vegetable crops is a very important part of the management of a vegetable operation. To give growers an idea what certain herbicides will do, a weed control demonstration plot has been set up on the farm of Rich Biesboer, just east of Glenwood. Pre-emergence herbicides were applied March 30 and April 1. Post-emergence herbicides were applied June 1. We had a hard rain just after the chemicals were applied. This is both good and bad. For the weed killers which kill on contact, this was probably bad since most if not all of the chemical was washed off the leaf surface. For those chemicals applied with the intent of killing, germinating weeds, this is good.

Growers in the eastern edge of the county may want to watch the weed demonstration plots for the next couple of weeks. You can make up your own mind how successful the chemicals were.

Growers will get a chance to look at the plots close up on June 23 at 7 p.m. at a twilight meeting for vegetable growers. A weed control specialist will be at the plots to

On Second Thought

By GLENN F. LOGAN

It is not the idea of this correspondent to appear as critical of the work of the craft that have been covering the situation in Africa. The newspaper on the scene have had a difficult job and no doubt a dangerous one when the natives are restless.

From the pictures one sees in print from time to time some of these tribesmen are rather direct in their actions and decidedly uninhibited.

They may have adopted government patterns somewhat on those of the west but they don't subscribe to the theory that you can't fight city hall.

With the powers that have been running Africa frowning on tribal wars, fighting city hall may be the only way some of those people have of draining off excess energy.

According to pictures one has seen, there are still places where people filed their teeth to points and somehow we don't believe this is done to make it easier to sever ribbons in formal opening of bridges or highways.

The correspondents assigned to cover the spot news in Africa probably are kept too busy for research on background stuff. The news magazines go in for this and one can read what this nation and that nation and this government and that government has to say but what this corner would like to know is what does DeBeers Consolidated think about the situation.

DeBeers is reputed to control the raw gold as well as the diamonds in Africa and the laws covering same.

Apparently the trouble that has manifested itself so far hasn't spread to the point where any of the DeBeers properties are threatened or there would be a lot more trouble than there is. There are people in that organization that have pointed teeth too.

With the Russians expanding their industrial program it is no wonder that they would like to take over Africa. The Germans tried to do it in World War II and if they had it would have meant trouble for the Western Powers.

In modern industry the diamond plays a most important part. Diamond tools, diamond wheels, diamond powder are needed if speed is to be maintained in production in which hard, alloyed steels are employed. The two major sources of diamonds are Africa and Brazil and the greatest, of course, is Africa.

Germany managed to seize some diamonds in their raids on Holland and Belgium early in the Second World War but anticipating such a move most of the stocks on hand were gotten out of those countries beforehand.

Hitler's emissaries tried to get industrial diamonds in Brazil but the United States and

explain what chemicals have been used and how they have been used. Other specialists will also be present at the meeting. This is a good time and place to get your questions on disease control, insect control, and weed control answered.

HOMETOWN AMERICA

the Western Allies had buyers there too and outbid the German agents. As the war hung on German industry began to lag.

It is true that toward the end Allied bombers put quite a crimp in the production of German factories but before that, it was reported, lack of industrial diamonds had taken quite a toll.

The Congo supplies many a large number of industrial stones, they come from the rivers and have been washed and rolled around for years, maybe centuries. These are not the best but they can be used for many purposes and are excellent as such. The industrials are the cinderellas of the diamonds and while in normal times (by the way, what are normal times?) they do not begin to attract any of the admirers of their ornamental sisters, the gem stones, they really come into their own when the chips are down and we have to have production, and more

production and still more production.

The Russians are striving to attain a high peak of production. Russia is rich in natural resources. It has the metals, the oils, the fuel to operate and maintain vast industrial plants. Russia has some rich emerald deposits but no diamonds. Russia, therefore, would like to move into Africa. Being entrenched in Africa would give Russia many advantages, not the least of which would be to have ready access to the diamond supply.

Maybe someday some substance will be found that is harder than a diamond but it hasn't been discovered in this world.

One can smash a diamond with a hammer but only a diamond will cut a diamond. It is the hardest substance known to man -- even harder than a Red's heart or conscience.

Hints For Homeowners

BY: JAMES FIZZELL,

Ass't. Farm Adviser
Some of the most attractive and most easily grown garden perennials are the Hemerocallis or Daylily.

Their attractiveness and color make them very desirable, and in addition they require almost no care and have few insects or diseases.

The name HEMEROCALLIS is derived from the Greek and means "beautiful for a day." This name is somewhat misleading for although individual flowers last only a day, the flower stalks are beautiful for weeks as the flowers open.

Daylilies grow best in a medium-heavy loam. They have been raised with considerable success, however, in soils ranging from the lightest sandy types to the heaviest clays, and under widely varying climatic conditions. To get the soil into good physical condition, spade it deep and work in generous amount of well-rotted manure, compost, leafmold or peat. This organic matter helps to maintain good tilth, aids in holding moisture, and act as a storehouse for plant nutrients. Sandy soils are especially benefited by applications of organic matter.

The daylily does well under a wide range of moisture conditions. While certain varieties will grow satisfactorily in extremely dry areas, most daylilies prefer good drainage and moderate moisture.

In gardens with poor drainage, mounding up the beds is a practical solution to the moisture problem.

Since the daylily is so undemanding in its needs, little attention has been given to its pH requirements. A slightly acid or near neutral reaction is considered best. However, the soil may apparently be somewhat acid (pH below 7.0) or alkaline (pH about 7.0) without much affecting growth. It is reported that daylilies become pale or yellow-green where the soil is highly alkaline.

For top performance the daylily should be planted where it receives full sunlight most of the day. Many varieties grow quite well, however, if they receive only morning sun and are partially shaded during the afternoon. The light shade from a distant tree or mottled sunlight, such as found in open woodland is ideal.

Daylilies can be moved anytime during the season but do best if dug just after blooming and replanted so that a good root system can be established before winter. The plants should be spaced about two feet apart as they multiply rapidly. The roots should be planted with the crown about one inch below the surface of the soil. Deep planting causes loss of vigor and poor bloom.

Most people are familiar with the old fashioned daylily or lemon lilies which although attractive were a pest because of their spreading habit. Most modern varieties lack this weedy character.

Any homeowner can receive a great deal of pleasure from daylilies with a minimum of time and effort.

Much of the above information was derived from a comprehensive booklet on daylilies available at a charge of 35¢ from the Assistant Farm Adviser's office, 201 N. Dunton Avenue, Arlington Heights.

Letters To The Editor

THANK YOU!

Dear Sir:

Our citizen committee wishes to express its deep appreciation to your paper for help in getting school information to the people of Frankfort.

Many school districts have learned that a community well informed on school matters is an interested community. Your paper proved the truth of that statement in our area. We had a record turn out -- 573 voters came out to express themselves.

Our five room addition was voted in. But win or lose, our community is better informed, more interested, and better able to meet its next big problem.

Thank you for a job well done!

LEONARD PATTERSON

SUPPORTS CONSERVATION BILL

Dear Sir:

Let us support Rep. Francis J. Loughran, Democrat from Joliet, and Reg. George F. Stasney, Republican from Chicago, in support of their jointly sponsored bill.

This bill is designed to take the conservation department out of the hands of politicians and place it under the control of a six-man non-paid bi-partisan board.

The conservation department does not receive one cent of the taxpayers' money. It is solely supported by hunting and fishing licenses, so why should it be used as a political football. Let's stop this now. Let's get something for our license money.

JOHN VAN DONK
Hillside Rd.
Lincoln Estates

Business & Finance

BY MAURICE P. ANGLAND

During the past few weeks the stock market has slowed down in over all volume and the emphasis is on the better grade securities of cyclical firms. This trend is predicted for some time to come.

In retail merchandising, a number of leading merchandisers as Woolworth, leading mail order firms, department store chains, etc. have announced they are going into discount store merchandising.

There are only a few discount store chains now in operation. Among these would be Korvette and Vornado with Korvette getting the most publicity.

Some analysts express the idea that the mechanics of actually getting started in the discount store field, may require a little time.

In October, the magazine of the Harvard School of Business predicted the discount store idea would create a revolution in retail merchandising in like manner to that of the super market which took over the grocery field in the early 30's.

The super market chains quickly took over merchandising of grocery items as they were able to undersell the corner grocery. The expansion of super market stores was very rapid and this expansion not always carefully planned. Many independently operated grocery super markets were able to compete nicely with the national chains.

Owners of many independent grocery super markets were and are operated by men who had their training with the chains. Ownership of these stores had the advantage of close supervision by the owners. This is usually an advantage. There is an old adage that "there is no substitute for the boss's eye."

As the super markets came into closer competition with each other, it was found that the smaller super markets could not do well against their larger competitors. One of the reasons given was that the smaller units could not afford the highly trained staff needed for best operation.

Today, the leading super market chains are apparently striving to limit their operations to stores that will show daily volume in the neighborhood of \$10,000.

The stock market has indicated a belief that the national budget is headed toward even higher levels. Dillon, Secretary of Treasury, called a meeting of 30 leading economists for a report on their views.

The feeling was gained that a rapid rise in government spending would generate too great stimulus on the business picture. Such over stimulation on top of the normal recovery is process, would bring

Washington News Letter

By CONG. N. M. MASON

PRESENT -- DAY STATUS

OF THE AMERICAN NEGRO:

(From Cong. Record, May 24,

1961 covering a speech by Mr.

Mason) Mr. Speaker, the American negro has made more

progress up the economic ladder in the last 100 years than

any other race -- white, yellow, or red -- ever made in 1,000

years of history. From a condition of absolute slavery 100

years ago, the American negro has risen to the point where he

now fares better than many Europeans, better than any

other members of the negro race anywhere -- better paid,

better housed, and better educated. From slavery, ignorance,

and life in primitive shacks, to an economic status superior to the average Frenchman, the average Italian, and the

average citizen of West Germany, the American negro has traveled upward with seven-league boots.

Today the 19 million American negroes have a total yearly income of more than \$20 billion. This means, on an average, more than \$1,000 a year for every negro man, woman, and child in the country. When we compare this with an average of \$650 per person per year in Western Europe; with an average of \$850 per person per year in France and Western Germany; and with an average of \$1,000 per person per year in Great Britain, our American negro is comparatively well off.

Mr. Speaker, in 1958 the American negro who worked a full year earned a median income of \$3,308.00, meaning that half the negro workers received more than this and half received less. That is more than the \$2,234 that the average worker in Great Britain receives, and more than four times the estimated \$800 that the average worker in the Soviet Union receives.

Twenty years ago the median income for the American negro was \$639.00, less than 1/4 what he receives today. Evolution, not revolution has brought about this remarkable change in the status of the American negro. Why interfere with the natural evolutionary process?

The truth is that progress toward both political and economic equality under the law is one of the remarkable achievements of the American negro.

WORDS WITHOUT DEEDS: The American people applauded when President Kennedy said in his inaugural address: "Ask not what your country can do for you; rather ask what you can do for your country."

Despite this call for the spirit of self sacrifice among the American people, the President has proposed nothing in the past

labor demands for increased wages. Wage demands would likely be met and, in order to protect its profit margin, industry would be forced to increase prices. The result would be another wage-price spiral and depreciation of purchasing power of the dollar. Such depreciation of purchasing power of the dollar with higher dollar prices, would likely cause a down turn in our exports with an effect on our balance of payments in world trade.

The administration is desirous of lower interest rates to stimulate business and residential building. Cheap money has its dangers. Low interest rates in this country could cause people to transfer their funds to other world areas where their earnings are greater. This happened last year. Such a development could effect our gold situation.

The reports from the meeting with Secretary Dillon indicated a belief that further inflation is not an immediate problem, but another wage-price spiral could bring it about.

three months that requires sacrifice. To the contrary, his recommendations have all been for costly "welfare state programs" and increased government spending.

Real Americans will gladly make whatever sacrifices that need be made to make this country strong. But the strength we must have in the struggle against Communism is economic strength as well as military. We cannot be economically strong if we indulge ourselves in excessive government welfare spending that robs us of the will and capacity to sacrifice. We hope the new Administration will soon recognize this fact.

WHO WILL PICK UP THE TAB? The new Administration has several programs calling for increased spending. Who will pick up the tab? Here are some interesting facts on who pays.

If the Government took 100 per cent of all income over \$10,000.00, in one year that would amount to an additional \$4.5 billion. At present spending rates, this would run the Government for three weeks.

Further, if the Government took 100 per cent of all income over \$25,000.00, the Treasury would get only an additional \$700 billion. This would run the Government for 3 days at present spending rates. It would be fairly apparent who will have to foot the bill. The average family will always be called upon to finance the bulk of Government spending. There isn't anyone else.

WILL FOREIGN AID BANKRUPT THE UNITED STATES? The Marshall Plan of 1947 was to have ended 12 years ago, with the expenditure of \$17 billion. But, as all political "give-aways" do, it grew like Topsy. We have already spent \$80 billion on our "give-away" program.

In spending \$80 billion to give relief abroad, an amount equivalent to the value of our 32 largest cities, we have helped create depressed areas at home. We financed our foreign competitors with capital, technology, and know-how. With our give-away billions foreign industries now undersell ours, both here and abroad. GATT permits the dumping of low-cost foreign goods on American markets, without action by Congress. We pay high wages and taxes to provide markets for foreign products which are made under low wages with modern machinery we supply.

President Kennedy recently said: "The United States can take care of itself."

Can it do that and take care of the rest of the world, too?

over a few things, I will make these ruler over many things; enter thou into the joy of thy Lord."

PRAYER: Dear Lord, we thank Thee for the blessed opportunity of stewardship. Help us joyfully to fulfill our responsibility as Christians. In the name of Jesus, who taught us to pray, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY: Being good stewards is the essence of Christian living.

Parents Hosts At Parties For School Graduates

Tel. Office 3521

Mr. and Mrs. Ralph Hitz entertained 24 guests in their home following graduation exercises last Friday evening in honor of their daughter Susan. On Sunday they held an open house from 2:00 to 8:00 p.m. and later a buffet lunch was served.

In honor of their daughter Sandra, Mr. and Mrs. Kenneth Sherwood entertained the following relatives and friends, Mrs. Virginia Shanmull, grandmother of Sandra; Mr. and Mrs. Arthur Dodge; Mr. and Mrs. Carroll Cherry; Mr. and Mrs. Ervin Conrad and Lynn; Miss Helen Madica and niece Deedee; Mrs. Peggy McConnell; Miss Lynn Matuall and Isadore Lazar all of Chicago; also Mr. and Mrs. Norval Robinson and Cindy and Mrs. Edwin Mazurek and Susan.

Out of town relatives attending a celebration in the Leroy Harling home in honor of their daughter Joyce were Mr. and Mrs. Stolberg and Mrs. Bada Harling of Chicago; Mrs. Paul Stolberg of Delwood and the Lyman Teague Jr. and Sr. families; Mr. and Mrs. Charles Teague; Mrs. Orlan Barnes and Mr. and Mrs. John Pettersen and daughters.

Invited guests in the Wesley Cappel home in honor of their son Dennis were Mr. and Mrs. Harold Cappel and family of Chicago; Mr. and Mrs. Marvin Cappel and family of Tinley Park; Mrs. Amanda McGovney and Elmira and Sharon Cappel.

Cadet Darryl Sherwood has returned home from Williams Military Academy at Wheaton for the summer.

Mrs. Evanis Dina, 138 front street, will be among the student nurses who will receive their caps on June 16 during ceremonies held at the Oak Forest hospital school of practical nursing.

HIGH SCHOOL GRADUATION PARTIES
In the Roy Kropp home in honor of their son John a social evening was enjoyed, following graduation from Lincoln-Way, by the following guests; the Rev. Theodore Wimmer; Mr. and Mrs. Adolph Steen; Mr. and Mrs. Leigh Kropp and family of

Lockport; David Kropp; Mr. and Mrs. Edwin Yunker, Ronald and Edoriz Campi; Miss Jackie Zitter, Lincoln Estates; Miss Rae Weldin, Manhattan; Miss Barbara White, Skip Kruzich, Diane McCleary, all of New Lenox and Wayne Lauffer of Tinley Park.

A combined celebration was enjoyed in the Gordon Bruce home in honor of their daughters Barbara, graduate of grade school and Bonnie, graduate of high school. Guests attending were Mr. and Mrs. Alex Bruce, Wheaton; Mrs. John Simes, Judy and Jimmy, Chicago; Mr. and Mrs. Alex Ross of Warrenville; and Mr. and Mrs. Anthony Charvat and John of New Lenox.

A buffet lunch was served in the home of Mr. and Mrs. August Long in honor of their daughter Nancy. Comprising the guest list were Mr. and Mrs. August Werner, the Harold Baker family; Mr. and Mrs. Earl Wolfgang; Mr. and Mrs. Edward Schenkel; Mrs. Dorothy Olson; Mr. and Mrs. Wilbur Teske and family; Mrs. John Funk; George Wannemacher; Ervin Hentsch; Mr. and Mrs. Robert Fitzgerald of Manhattan and Alan Waldvogel of Frankfort.

Mr. and Mrs. Alvin Sorensen entertained the following relatives and friends in honor of their daughter's Joan graduation; Mr. and Mrs. Norval Robinson and Cindy; Nels Sorensen; Mary Gottlieb; Tom Marcoux, Mrs. Kenneth Sherwood and Carol; also Dr. and Mrs. Thomas Gunhouse and family; Randy Smith; Sharon Wolf all of Frankfort and Mr. and Mrs. Wilbur O'Brien of Chicago.

Twenty guests were invited to the George Rinke Sr. home in honor of their daughter Carolyn. Out of town guests included Mr. and Mrs. Alfred Heiman of Plainfield and Mr. and Mrs. Clyde Reils and Dale of Frankfort. Other guests were relatives from Mokena.

A social evening followed by refreshments was enjoyed in the LeRoy Harling home for their daughter Gayle's graduation. The guest list included Miss Diane Lederburg of Chicago; Mr. and Mrs. Orlan Barnes of Manhattan; Miss Diane McCleary and Mr. and Mrs. Joe Kruzich and Skip of New Lenox; Mr. and Mrs.

Charles Teague; Mrs. Bada Harling; Mrs. Lyman Teague Jr.; Lyman Teague Sr. family and Mr. and Mrs. John Pettersen and family.

In honor of Raymond Lorenz his parents' Mr. and Mrs. Herman Lorenz entertained the following guests; Mrs. Myrtle Specht, of Oak Lawn; Mr. and Mrs. George Evans of Joliet; Mr. and Mrs. Albert Lorenz, Minooka; Mr. and Mrs. Edward Schmidt; Mr. and Mrs. Peter Homerd and his brother Kenneth who is home from the University of Illinois.

An open house was held Sunday, June 11 in the Willard Munch home in honor of their daughter Geraldine, they were; Mr. and Mrs. Walter Andres, Mr. and Mrs. Stanley Andres, Mr. and Mrs. Joe Andres, Mr. and Mrs. Vence Andres and Mr. and Mrs. John Munch and son all of Chicago.

Clarence "Slim" Werner and Mrs. Ann Hodges of New Lenox were united in marriage on May 27. Following a few days trip they are now residing in the Merrick home on Denny street.

Mr. and Mrs. Andy Zink and family left Saturday, June 10 for Anaheim, Calif., where they will make their home. Their home in Mokena is being rented by Mr. and Mrs. Ken Erwin and family of Kankakee.

Prior to their leaving a series of surprise farewell parties were given for each member of the family.

Their daughter Sally was entertained at a surprise party in the home of Miss Susan Lindstrom, Friday afternoon, June 2 by her classmates of the fifth grade.

Members of the Amvets Post entertained at Sands tavern for the Zink family, Saturday evening, June 3. Mr. Zink is a member of the Post. That same evening a teenage farewell party was held in the home of Mr. and Mrs. Ronald Daugherty, Wolf road, in honor of Sandy Swinford.

Classmates from Lincoln-Way high school honored Kay Swinford, at a party held June 5, in the home of Miss Paulette Raddis of New Lenox; the following evening graduation was held at Lincoln-Way, of which Kay was a member of the class.

Last Sunday an open house was held in her honor in the home of her parents, to which some 30 classmates attended.

Mr. and Mrs. Bernard Morris of Tinley Park have rented the Rinke apartment on front street. They are both employed at the Tinley Park State hospital.

Mrs. Philip Lenz, past president of the open Woman's Western Golf association, returned last Saturday from a tournament held at Nashville, Tenn. The winner of the tournament was Mary Lena Faulk of Thomasville, Gas.

Also attending the tournament and returning with Mrs. Lenz as over night houseguests were Mr. and Mrs. F. A. Bunte of Evanston and Mrs. Ernest Reinsh of Detroit, Mich.

Walter Shewski, 230 south Mokena street, received his Masters Degree in business administration during graduation exercises at the University of

Chicago, Friday, June 9. The ceremony was held on the campus in Rockefeller Memorial Chapel. Mr. Shewski attended night school at the university during the past three years.

WAYFARERS

The ladies of the auxiliary treated the men of the club at a dinner dance, Sunday, June 11 at Willowbrook restaurant in honor of Father's Day.

The club will hold their annual family pot-luck dinner and picnic Sunday, June 25 at the Mokena community park. Dinner will be served at noon.

Miss Gertrude Englehardt arrived Sunday at her parent's home, Mr. and Mrs. Rudolph Englehardt, Carpenter St., from Clearwater, Fla., where she has been teaching in the public schools for seven years. Next week she will enter Northern Illinois college to work off her degree in educational administration.

Dr. and Mrs. Francis Logan of Delaware, Ohio spent several days last week with their aunt, Mrs. Lydia Ryan and other relatives in Joliet.

BOOK CLUB

The June meeting of the Mokena Book Club was held in the home of Mrs. William Welsch. Proceeds from the recent doll display will be used for new books and furniture for the library. The doll display was a success and the Book Club members, as well as the patrons of the library, are deeply grateful to Hilda Geuther who so generously spent much time and work setting up her unusual and valuable doll collection for the enjoyment of the community and the benefit of the Mokena library, sponsored by the Mokena Book Club.

It was decided to post a chart in the library for children who are interested in keeping a record of books they read during the summer. Recognition will be given to those who read the most books. There was keen interest in this project last summer and it is hoped more children will participate in this reading during the vacation months.

Amy Engelhardt reviewed The Prophet by the poet from Lebanon, Kahlil Gibran. Special emphasis was placed on the poems "On Marriage", "On Children", "On Teaching", and "On Houses".

MR. AND MRS. DONALD M. GRUND

Donald Grund, Of New Lenox, Married In Shokie Church

Early spring wedding promises were recited by Miss Diane Wentink and Donald M. Grund at an 11 o'clock nuptial mass Saturday, April 15, in St. Lambert's church at Skokie.

Rev. J. F. Harris performed the marriage service uniting the daughter of Mr. and Mrs. Clarence A. Wentink, 8047 Keeler, Skokie, and the son of Mr. and Mrs. Norman Grund, Sr., 143 Oak St., New Lenox.

Escorted by her father to an altar decorated with bouquets of white gladioli and mums, the bride was attired in a gown of pale ivory taffeta with three-quarter length sleeves and a chapel train. The neckline was rounded in front and dipped to a slight V in the back. The entire neckline had an inset of seed pearls and lace. The finger-tip veil was caught by a crown of pearls. She carried a cascade of white gladioli and stephanotis.

Maid of honor was Miss Sharon Derer of Wauconda. Her gown of lavender organza with three-quarter length sleeves had a rounded neckline which dipped to a slight V in the back. A tailored bow fronted the waistline. She wore a lavender whimsie on her head and carried a cascade of deep orchid gladioli.

Attired in gowns of identical design were Miss Martha Martin of St. Louis, Mo., and Miss Janice Fritz of Elgin, bridesmaids, and Miss Sharon Barnett, niece of the groom who was junior bridesmaid.

Glenn Wentink of Skokie attended Mr. Grund as best man and ushers duties were carried out by Norman Grund, Jr. of St. Louis, Mo.; Dale McMahon, and Allan Wentink of Skokie.

Immediately following the ceremony a wedding breakfast was held at a Skokie restaurant.

The brides' mother, Mrs. Wentink greeted guests wearing a willow green sheath with matching jacket and beige accessories. Mrs. Grund, the bridegroom's mother wore a deep purple print dress with matching accessories.

The bridegroom, who is employed by Rust Craft publishers, is a graduate of Northern Illinois university. The bride will be graduated from Northern Illinois University this month.

For her going away costume, the new bride wore a lace-like knitted beige suit with matching accessories.

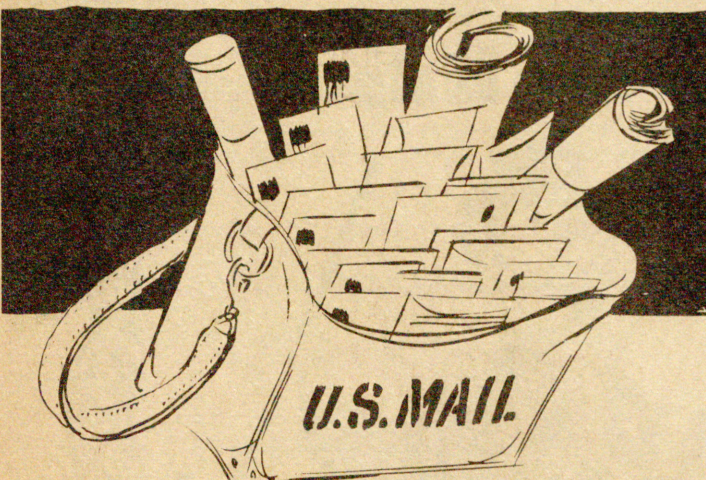

The newlyweds will reside in Kettering, Ohio, a suburb of Dayton.

Stunt Drivers To Put On Show In Joliet Stadium

The Trans-World Auto Dare-devils, a team of stuntmen, will open their summer tour with an appearance Tuesday night (June 20) at Joliet Memorial Stadium.

Using new standard and compact autos, the drivers will put on a show of precision driving patterns, stunts, and deliberate crashes and roll-overs.

The show starts at 8:30 p.m., and lasts two hours.

Driving on two wheels, motorcycle stunts and catapulting a new compact automobile 75 feet from one ramp to another will be included on the program. Old cars, ready for

the junkyard, are used in the deliberate crashes.

Included among the drivers are former race track and test track drivers, and stand-in-performers for motion pictures.

The Trans-World team has scored three firsts in its years of operation. It was first to make a tour of Europe; first to appear on network television (the Jack Paar show) and first to use new compact automobiles.

The team has scheduled several appearances at race tracks and county and state fairs this summer.

Cancer Crusade Nets \$692 In Frankfort Township

The 1961 Cancer Crusade netted a total of \$692.64 thru contributions from residents of Frankfort township, it was announced this week by Supervisor George Tate, of Frankfort, who also was in charge of the campaign in the township.

Mrs. George Bennett, chairman of the Mokena section, which included Arbury Hills and Arby Hills, reported total donations of \$540.61.

The total in the village of Frankfort where Mrs. Melvin K. Eastman was chairman, was \$110 and at Lincoln Estates, Mrs. James Dixon, chairman, \$42.03.

The women besides the chairman, who took part in the campaign were:

For the Mokena area: Mesdames Gus Long, Elinor Pretzel, Martin Krueger, V. Warwick, Nora Muehler, W. Liston, Claire Posen, Marie Hovi, Lee Bennett, Lou Hansen, Ruth Harris, Edna Williamson, Michelle Chuck, G. Klinger, George Krueger, Eleanor Smell.

Frankfort: Mesdames Evelyn Lühring, Eve Oetter, Clara Ann Mathews, Grace Falist, Irene Haakinson, and Norma Haakinson.

Lincoln Estates: Mesdames Stanley Balsie, Emerth Boyden, Albert Swatch, Gloria Harmon, Donna White and Miss Virginia Dixon.

FIRE DESTROYS COMPACT CAR; DRIVER ESCAPES

A Volkswagen driven by Harry J. Caliban, of Francis rd., Mokena, caught on fire Tuesday morning and the flames had spread to such an extent before the Tinley Park Fire department could arrive that the car was described as a total loss.

The incident occurred about 7:45 a.m. on 191st street and 84th ave. Caliban was enroute Tinley Park where he is employed by the Kevin Electric Co. Caliban escaped burns or other injury.

ADD 240 ACRE AREA TO N.L. SCHOOL DIST.

Approximately 240 acres of land lying north of U.S. 6 and east of Cedar road have been detached from the Homer Consolidated school district, No. 33-C and added to the New Lenox school district, No. 122. The tract was at one time a part of the former Hadley district before it became included in 33-C.

The action of transferring the property was taken by the Will county board of school trustees. There was no opposition to the transfer by either school board or any other interested parties.

There are 10 youngsters in this area who will be affected by the change. The students from this locality attend Lincoln-Way high school and their parents transact much of their business at New Lenox so the change is regarded as a "natural".

Property owners in the transferred territory will be obliged to continue payments of their share of the bonds issued by 33-C prior to detachment.

In Hospital Now But Alva's Due For Jail

Alva L. Elder 33, of 179th St. and Southwest Highway, Mokena, will be locked up in the Will county jail upon release from Silver Cross hospital, Joliet.

Deputies Guss Hendrickson and George Hendrick were called to the hospital when Elder refused to allow them to treat lacerations to his head and nose, Sunday night.

He had been involved in an auto accident at 140th and State Sts., and taken to the hospital by a Homer township volunteer fire department rescue squad. While refusing treatment he became so abusive he was taken to the jail without treatment. Upon the recommendation of a physician, Elder was returned to Silver Cross where he was admitted for a compound fracture of the nose and lacerations on his head.

Deputies said Elder's car left the road at 140th and State Sts., crossing a ditch, up an embankment and travelled 200 feet across a driveway on to the lawn of Robert Black. The car came to rest against a fence. Elder put the auto in reverse and got stuck in a culvert,

Letters To The Editor

Dear Sir:

The people of the Frankfort school district, owe a lot to a group of people who went door to door and distributed information to the residents so they were properly informed for this election.

This election means that our town is progressing. We are willing to provide for our children. We are anxious to have more people come into our town, build homes, start business and increase our tax evaluation.

We sincerely hope that we have finally reached the point where we are able to evaluate the real needs for a growing, progressive community.

Thanks again to those people who worked and told the truth of our needs.

Sincerely
Claude W. Otto,
M.D.

CD Sheds Light On Graduation At Frantfort

Director Anthony Dina and Raymond Bisgrove of the Mokena Civil defense saved the night for the Frankfort Grade School graduates Wednesday June 7. A black-out caused by the electric storm left the Methodist church, where the graduation ceremony was held, in darkness until the generator was brought in from Mokena and manned by Dina, local director and Bisgrove, engineering department director.

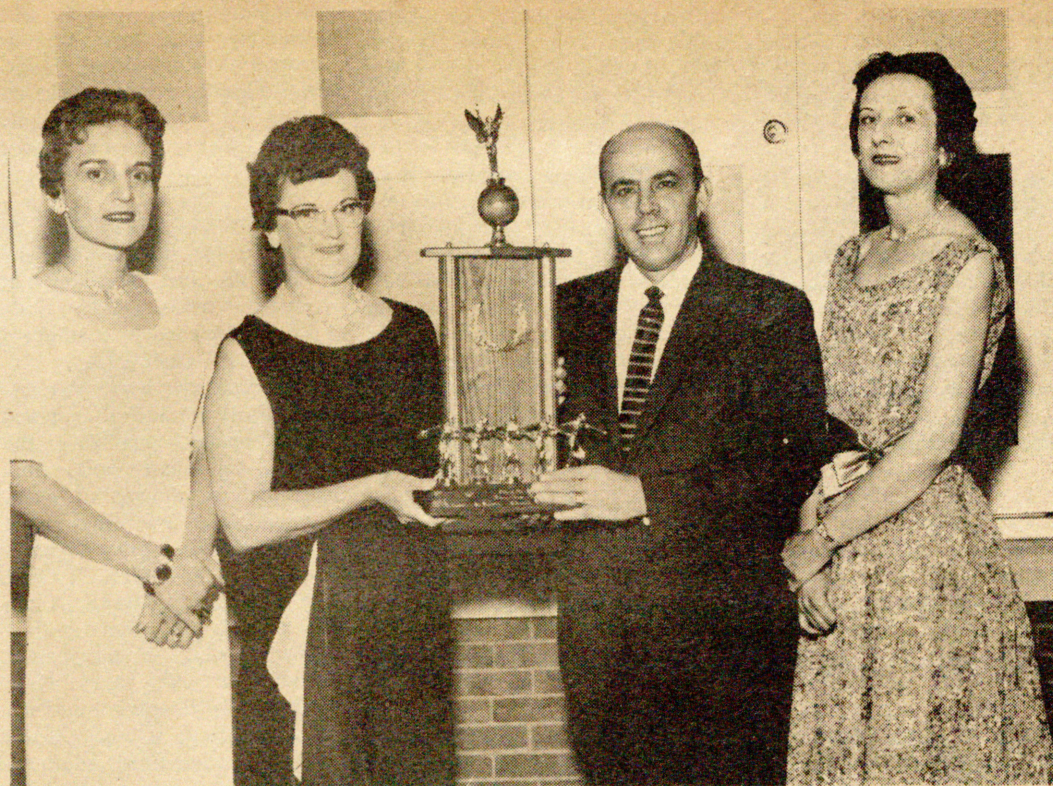

Leroy Wright principal of the school and the Rev. James Parker of the church said that the transfer to the generator was made so efficiently that few in the audience were aware that normal electrical service had not been restored.

ANSWERS ALARMS

Orland Park firemen stood by last Thursday to guard against possible mishap to passers-by or curious when lightning struck a power pole at U.S. 6 and 45 and wires were dropped along the highway. Firemen remained there until Public Service Co. trouble crews arrived. Firemen extinguished a blaze in a small barn at 143rd and 106th ave last Friday. Damage was reported slight.

Contrary to popular notion, Australians do not speak Cockney. The Australian invented his slang out of time and circumstance in his own country.

An important new function of air conditioning is cooling the many tubes in electronic brains, which do not operate properly if overheated.

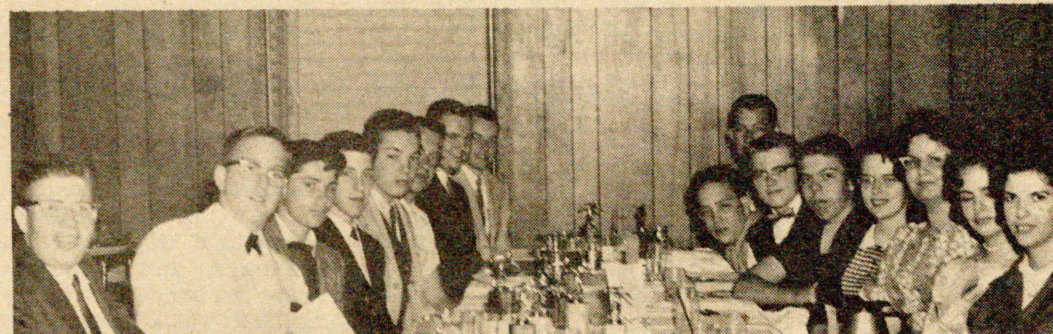

RECEIVING THE TROPHY as the sponsor of the winning Orland Park ladies bowling team is John Hofferica, for Kosner drugs. Others in the picture are left to right Lucille

Granat, captain; Virginia Hoover and Mary Ann Majetch members of the winning team. A tie between two girls for most improved bowlers, Judy Cieluch of Palos Heights was

awarded a trophy and Ethel Kane a plaque.

The Orland ladies bowling banquet was recently held at Silver Lake golf course. Dancing followed the dinner.

ALL BOWLING SEASONS end with banquets and the distribution of awards. The Carl Sandburg high school bowling league ended its season in the usual fashion in late May. The kieglers shown here (top, left

to right) are: David Koch, Joe Campea, Larry Thompson, Paul Geissler, Bob Wipert, Dennis Rhude, Terry Watkiss, Jim White, Herb Shuh, Bob Miller, Jerry Jackson, Pat Kelly, Betty Kelley, April Stafko and Mary

Ann Paris. The quartet (1 to 4) is made up of Donald Pursell, faculty sponsor; David Koch, most improved bowler; Jim White, high scratch game and Lou Reber, Oak Lawn Bowl, host. (CSHS Photo)

A. Of C. Urges Protection For Crossing

The New Lenox Association of Commerce, announced, at its regular meeting Tuesday June 14, that it is continuing its fight for crossing protection at the Wabash right - a - way on Francis Road. The members agreed to cancel their second meeting of the month during June, July and August.

A. Hunter Chapman, chairman of a special committee to urge the Illinois commerce commission to correct crossing conditions on Francis road, told the group that a complaint has been filed with the commission and a hearing date promised for next week in Chicago.

Ron Whitaker, president, announced that he will appoint a representative from the chamber to sit-in on Will county planning commission meetings in the future. The appointment was suggested by John Francis who felt it would aid the community in keeping abreast of area developments.

Mokena Woman Sacred Heart Suffers Injury High School In Auto Crash Graduates 34

Mrs. Marie Lengerich, 320 First street, Mokena suffered head and chest injuries last Thursday afternoon (June 8) in an auto-truck collision on Mannheim road in Franklin Park. She was returning to Mokena after visiting her daughter Mrs. Dale Goetz in Franklin Park, when the accident occurred.

Thrown out of her car, a 1960 Nash Rambler, when it was hit on the driver's side by a large truck at an intersection, Mrs. Lengerich was removed to the Elmhurst Memorial hospital in an unconscious condition. Latest reports are that she has three fractured ribs, numerous lacerations and bruises, and a probably concussion.

Mrs. Lengerich is the widow of Dr. George Lengerich, former Mokena veterinarian.

Mrs. Weber Jr. Of Mokena In Auto Crash

Mrs. William Weber Jr., 21 years old of School House road, Mokena suffered a fracture of the collar bone in two places when her car hit a tree on U.S. route 30, east of the Cherry Hill road last Thursday afternoon around 1:30 o'clock. She is a patient in Silver Cross hospital, where she was taken by ambulance, and expects to return

home by the end of this week. Deputy Sheriff Robert Kapella said she was eastbound when the car went off the right side of the road. Mrs. Weber was enroute home from a doctor's office and was alone in the car.

Baltimore is called the city of monuments.

Raymond Flint Dies Suddenly

Raymond A. Flint, 65, died suddenly Tuesday (June 6) morning about 6:30 o'clock at his home, 225 S. Pine street, New Lenox, apparently from a heart attack.

Dr. Charles W. Hoffman had been called and was there at the time. An inhalator squad from the New Lenox fire department was called but efforts to revive Mr. Flint were unsuccessful.

Besides his wife, Merle, Mr. Flint is survived by two daughters, Jean, of Elwood, and Mrs. Marilyn Schmulh, of Joliet; one brother, Harry, of Custer Park; three sisters, Mrs. Bertha Bisping, of Joliet, Mrs. John (Florence) Faulkner, of Bradley; Mrs. Chester (Bernice) McKensie, of Whitewater, Wis., and seven grandchildren.

Removal was to the Addleman funeral home at Wilmington where services were conducted Thursday afternoon. Burial was in Wesley cemetery.

Mr. Flint had farmed in Wesley for many years and nine years ago moved to New Lenox where he had resided since. At the time of this death he was employed at Sunny Hill sanitarium in Joliet.

Hold Funeral For Father Of Mokena Woman

Thomas L. Lawrence, 79, father of Mrs. Fred (Mary) Yunker, of Mokena, died Saturday, June 10 at the Lincoln Nursing home, Joliet.

Two sons also survive, Glenn of Lockport, and Aubrey, of El Paso, Tex.; one sister, Mrs. Ella Whiteside, Chicago, two brothers, Dr. Walter Lawrence of River Forest, and Will of Glendale, Ill.; five grandchildren and five great-grandchildren. Two wives and two sons preceded him in death.

Services were held Wednesday at the Glendale Methodist church with burial in the Glendale cemetery.

Drowns At Church Camp

Robert Carder 16, of May St. Chicago drowned Wednesday, while swimming in a pool at Camp Manitou on Sauk Trail, eight miles east of Frankfort. Carder's body was found by two life-guards in about six feet of water, after he was discovered missing.

He was attending a picnic with about 250 other students of the Chicago Christian high school, where he was a sophomore.

After the body was removed from the water, the life-guards and other attendants administered mouth-to-mouth respiration until an ambulance arrived at the scene. Ambulance attendants administered oxygen at the scene and while enroute to Silver Cross Hospital, where Carder was pronounced dead on arrival.

According to information obtained by Deputy Sheriff Donald Knutson, Carder dove into the water, swam across the pool under water, but did not come up. Two fellow students said Carder had been swimming most of the afternoon, and that he spent considerable time under water.

An autopsy performed at the hospital showed drowning to be the cause of death, it was reported by coroner Willard G. Blood. It was considered that Carder might have bumped his head or have suffered a heart attack.

Stroke Fatal To Mokenan

Raymond J. Sylvester, 47 years old, late of 4 E. Brightway, Mokena, died June 11 at St. Joseph hospital, Joliet. He suffered a stroke June 1 at his home and was taken to the hospital. He died without having regained consciousness.

Mr. Sylvester was a native of Joliet and moved to Mokena three years ago to make his home. He was assistant manager of the Singer Sewing Machine Co. at Joliet, where he had been employed for the past 12 years. Previous to that he had worked as a baker for the Tehn Geissler Baking Co.

Besides his wife, the former Mary Kubas, Mr. Sylvester is survived by four sons, Ronald Richard, David and Michael, all of Mokena; one sister, Mrs. Anna Martina, of Chicago and numerous nieces, nephews and cousins.

Removal was to the Gerald Dames and Sons funeral home at 309 Sherman street, Joliet. Services were held there yesterday (June 14) at 8:45 a.m. to St. Mary church, Mokena at 9:30. Interment was in Mt. Olivet cemetery, Joliet.

Mother Of Mokena Woman Dies Suddenly

Mrs. Ida Wilmer, 77 years old, who resided with her daughter Mrs. George Krueger, at 19450 Wolf road, Mokena died Monday, June 12 following a brief illness.

Born March 1, 1884 in Germany Mrs. Wilmer has lived in the Mokena area for the past eight years. She was a member of the ladies aid of St. John's United Church of Christ and of the Armitage avenue Methodist church of Chicago.

Survivors include her husband, Fred; three daughters, Mrs. Emma Cuchan of Chicago; Mrs. Martha Weber of Mount Morris and Mrs. Lillian Krueger of Mokena; ten grandchildren and one great grandchild. A daughter Mrs. Gertrude Siebert preceded her in death last January.

The body was removed to the Hirsch Funeral chapel at Tinley Park where visitation was held Tuesday and Wednesday afternoon and evening. Funeral services will be held (today) Thursday at 2:00 p.m. in St. John's United Church of Christ with the Rev. Theodore Wimmer officiating. Burial will be in the church cemetery.

Death Claims Alvin N. Tehle

Funeral services were held yesterday for Alvin N. Tehle, 61, late of Asheville, N. C., from the Sonntag, Burgess and Wylie Chapel, 221 Herkimer st., Joliet. Burial was in Brow cemetery, Jackson township.

Mr. Tehle's widow is the former Madara Weir of Lincoln Estates and Mokena. A son, George, and a brother Raymond, reside at Elwood. Mr. Tehle died June 11.

Arbury Hills Civic Assn. Adjourns Meetings Until Fall

MRS. EDWARD HOVI
Tel. Mokena 5740

The Arbury Hills Civic Association held its final monthly meeting before the summer recess on Tuesday, June 6. All committee reports were read by the chairman of each committee.

The by-laws were gone over in detail, and amendments were voted on and passed where needed to make the by-laws a workable set of rules for the governing of the association.

The issue of deputy sheriff was discussed and final decision on the names of the men for deputy will be announced shortly.

Also brought up at the meeting was the possibility of having a bowling party for the membership. Since there was evident interest in the idea, it will be looked into further. The coming family picnic on July 30 in the Mokena Park was also mentioned, and everyone who is interested in helping on the planning of this picnic, can contact Glenn Cullum at Mokena 4491 on this matter.

A nominating committee was appointed to determine nominees for two vacancies, one on the board of directors and the other of the office of secretary, which will be vacant shortly.

ly. Those on the nominating committee are: John Smith, temporary chairman, Robert Burdett, Joseph Maleck, Frank Riesbeck, and Larry Riley.

Five new members were signed up at this meeting by the membership committee.

After the meeting refreshments of cake and coffee were served by Mrs. Charles Fink.

The roads in Arbury Hills are in the process of being graded prior to paving.

The all-family picnic, sponsored by the Summit Hill parent teacher group, was held on Sunday, June 4 at the Mokena Park. They had a warm, sunny day for their day-long fun fest. There was an excellent turnout of families and everyone seemed to have a good time.

The meal was of the "Pot-Luck" variety with each family bringing three dishes, and the resulting food was put on a table for everyone to help himself buffet style.

There were races and prizes for the children of all sizes and

a baseball game for the men.

St. Mary's grammar school in Mokena had a get-together on Friday, June 2, for the children who will be entering first grade in September. Diane Guntz, Cynthia Albor, and Marie Ann Hovi of Arbury Hills attended and found out to their surprise that the afternoon's entertainment was a trip to playland with free rides, and soda pop, and paper party hats for all the children.

Mrs. Austin Brant had her parents, Mr. and Mrs. G. W. Ayers and her 89 year old grandfather, Fred Miesemer come to visit her last week from their home in Tallmadge, Ohio which is just outside of Akron.

Mr. and Mrs. Robert Burdett took their children Bobby and Kathy to the circus last week in New Lenox.

Michael Hovi celebrated his fourth birthday with a family gathering, in his honor, of his grandmother and grandfather, Mr. and Mrs. Bernard Doran of La Grange. Also there were his aunts, Bernadette Doran, Pat Doran, Mary Doran, and Ann Doran all of La Grange. Michael's aunt Ann returned just in time for his birthday from a seven week vacation tour of Europe.

Craig Cleply graduated from eighth grade at St. Mary's last Sunday. After the ceremonies were over the seventh grade invited the graduates and their parents to a breakfast at the school hall.

Sunday afternoon Mr. and Mrs. Ed Cleply had a graduation party at their home for Craig. There were some 42 invited guests of family and friends for a buffet supper.

There were two new babies for Birch Street on June 1. Mrs. Allen Engelhardt of 9442 West Birch Street had a girl, Christine Marie. The Engelhardts have two other children, Michael Anthony age three and Anthony Francis age eighteen months.

The second June 1 baby was born to Mrs. David Leonard of 9418 West Birch Street. Mrs. Leonard's baby was also a girl named Cynthia Lee. They have another girl, Tammy, who will be four in October.

IN THE CHURCHES
COMMUNITY BRETHREN CHURCH
Rev. Dean Fetterhoff, pastor
Sunday School 9:30 a.m.;
Worship service - 10:30 a.m.;
located in Arbury Hills school.

Michelangelo designed the dome which soars 435 feet above the altar of St. Peter's Cathedral. The altar is crowned with Bernini's 95-foot-high baldachin, a bronze canopy held aloft by four spiral columns.

Homer Lockport High Graduate Receives State FFA Award

Mr. and Mrs. Henry Rodgers entertained a group of relatives at supper last Sunday afternoon in honor of their daughter, Faye, who was an L.T.H.S. graduate Monday night.

The Otto Moravcs were hosts at a picnic supper for relatives and friends Sunday evening at their home on Parker Rd. in honor of their daughter, Dianne, who graduated from 33-C last week.

About 30 relatives and friends gathered at the Bruce Anderson home following the L.T.H.S. graduation, for a buffet supper in honor of their son, George. Guests were present from Lockport, Joliet, New Lenox, Downers Grove and Homer.

On Tuesday morning, a group of F.F.A. boys, accompanied by their sponsor, Mr. Lawrence of Lockport, went to Springfield to attend the State Future Farmers' Convention which was in session until Thursday evening. Those who went from Homer were Dan and Clifford LeGrand, Dan Shepherd, Eric Ogren, Edwin Termunde and George Anderson.

Mr. and Mrs. Bruce Anderson and Faye, accompanied by Cathy Bergseth of Lockport, drove to Springfield Thursday to see George receive the State F.F.A. Award.

A 240-acre tract of New Lenox twp. land which was a part of the Homer Consolidated school district, was recently annexed to the Oakview district in New Lenox at the request of the residents of the area. This will enable the children of the area to attend high school with their grade school classmates, as they are in the Lincoln-Way High School district. The home-owners will however, be obliged to pay their portion of the 33-C bond issue since they were in the district at the time of the bonding.

Mr. and Mrs. Earl Woodbury and daughters of Ladysmith, Wis., called on relatives here this week and were overnight guests Thursday night in the Ralph Smith home in Manhattan twp. Mrs. Woodbury is the former Helen Burch.

home on Cougar Rd. Two lower teeth were dislodged and her upper jaw was badly bruised.

The Northwest Homer ambulance and inhalator went to the John Mark home on Cedar Rd. Friday when Mr. Mark had difficulty in breathing. He was rushed to Silver Cross Hospital where an obstruction was removed from his throat and he was able to return home that afternoon.

Several men and boys worked at Homer church parsonage Wednesday evening until the electricity went off in the storm. Refreshments were served by candlelight.

Mr. and Mrs. William Kasper, Jr., former Homer residents who now live on RR 2, Joliet, are the parents of a daughter born June 2 at Silver Cross Hospital.

The Maple St. Arbor of Gleaners held their quarterly meeting at Homer Consolidated school Friday evening. Games and refreshments were enjoyed following the business meeting.

Mr. and Mrs. Robert Burch visited her aunt and uncle in Streator last Sunday afternoon.

Rev. and Mrs. Stanley Cox, and their guest, Kenneth Cox, were dinner guests in the John Hollister home last Sunday.

THE McILWEES REPORT:

**"We heat this big house electrically
for just \$23 a month!"**

Says Patrick G. McIlwee, builder and owner: "We heat 6 large rooms, 2½ baths and a 2-car garage—over 2,000 sq. feet in all. And we're more comfortable at 70° than most homes are at a setting of 75 degrees."

THE McILWEES' ELECTRIC BILLS AND WHAT ELECTRICITY DOES FOR THEM

April '60	\$42.14	HEAT - 6 big rooms, 2½ baths and 2-car garage (over 2000 sq. ft. in all)
May '60	26.21	portable electric heating units (2)
June '60	16.30	LIGHT - generously lighted throughout, night lights, post light
July '60	18.83	COOKING - 2 electric ovens, 4 countertop surface units, dishwasher, numerous small cooking appliances
Aug. '60	17.92	FOOD STORAGE - 20 cubic foot freezer, 16 cu. ft. refrigerator-freezer
Sept. '60	21.25	LAUNDRY - Automatic washer, dryer, steam and dry irons, 40-gallon fast recovery electric water heater
Oct. '60	19.28	ENTERTAINMENT - two television sets, radios, Inter-com. in each room with 2-way speaker system
Nov. '60	50.00	APPLIANCES - Electric pump for well, vacuum cleaner, floor polisher, built-in kitchen food center with 3 attachments, electric blanket
Dec. '60	65.87	POWER TOOLS - bench saw, portable saw, saber saw, 2 drills, sander, lathe, grinder, soldering iron, spray gun & compressor, router, plane
Jan. '61	73.00	TOYS - 2 electric trains, jig saw, sander
Feb. '61	66.85	
March '61	53.08	
Average Monthly Electric Bill	\$39.23	

NOTE: Budget billing is available on request. (To even out what you pay.)

"You can't help liking electric heat," says Pat McIlwee. "It has everything. And I speak from experience with three other well-designed, flame-type heating systems."

"We used radiant electric baseboard in most of the rooms because we wanted individual thermostat control in each room. The garage and back playroom we heat with portable units. The garage is kept at 40 to 50 degrees all winter."

"In the living room we have a big window area. You can nap on that rug, as I do, and never feel a floor draft. The whole house is just as comfortable. We haven't had a common cold among the five of us all winter. "Electric Heat is also the cleanest heat we've ever had. What little dust we get from outside is easy to wipe away—not sticky or gummy. The rugs, draperies and paint look as fresh as when we moved in."

Talking about the cost of electric heating, Mr. McIlwee added: "You have to build a snug, well-insulated house for electric heating. That includes well-fitted storm windows and doors plus the right kind of insulation."

"This is one reason why we can heat this big house, light it and run ten major appliances—all electrically—and average about \$39 a month for everything. That may be a few dollars more than the average, but we feel we get a lot of extra comfort and convenience for the difference."

Aux. Police Will Hold Shoot Sunday

MRS. EMIL WILLE
Tel. Frankfort 5277
The Will county auxiliary police will not have a regular meeting this month due to vacations. In its place will be a supervised shoot at the firing range on the Nicholson farm June 18 at 9 a.m.

Danny Olsen is spending a few weeks vacation at Winter, Wis. His aunt and uncle, Rev. and Mrs. Arthur Contois, of Wildwood, Ill., accompanied him.

Mr. and Mrs. Frank Janard entertained Sunday in honor of their daughter, Paulette, an eighth grade graduate from Ann Rutledge school. Guests present were relatives and friends from Thornton and Chicago.

Mr. and Mrs. Charles Jones entertained neighbors and friends at an open house Friday following the graduation exercises. The occasion honored their daughter, Carol.

Mr. and Mrs. Stanley Staton and Billy, Miss Phyllis Yates and Mr. and Mrs. Clifford Hendrickson and Gunnar dined at a Frankfort restaurant following the graduation of Gunnar Hendrickson and Billy Staton that evening.

Mr. and Mrs. Rodney Olsen and family attended a family picnic at the home of the latter's sister, Rev. and Mrs. Arthur Contois and family at Wildwood, Ill., on Sunday. The picnic was in honor of Danny Olsen, a graduate of Ann Rutledge school and Scott Contois, son of Rev. and Mrs. Contois, a graduate of Woodland school.

at Wildwood. Other guests were Mr. and Mrs. Carl Sahlin and family of Glenview, Mr. and Mrs. John Roman and family of Mokena and Mrs. Rose Dent and family of New Lenox. Rev. Contois was a former pastor of Calvary Baptist church.

S/3c Stanley Lambie, son of Mr. and Mrs. Celestine Lambie, was graduated from Electronic school at Great Lakes. He has entered the Submarine training school at Groton, Conn., after spending a three day leave with his parents.

Mr. and Mrs. George Kaehler and daughters, Shirley and Barbara, Ted Smmett and Mrs. Emma Geiger went to a Mid-Iothian restaurant. This was after graduation exercises at Lincoln Way high school Tuesday night to celebrate Barbara's graduation. She will enter the nursing school at Little Company of Mary hospital in the fall.

Mr. and Mrs. Robert Wheeler entertained a group of friends and relatives Tuesday night after the Lincoln Way graduation in honor of their daughter, Judy. Guests were Mrs. Leo Marcoux and her father, H. E. Hemingway, of Mokena, Mrs. William Davidson, Mrs. Emereth Boyden, Mrs. William Dav-

idson, Mrs. Harriet Bissell, Mrs. Glenn McWhorter, Dave Schulke and Karen Olsen. Refreshments were served. Judy received gifts.

A small family gathering was held in the home of Mr. and Mrs. John Van Donk Tuesday after the graduation in honor of their son, Raymond. Those present were Mrs. A. Sedzik, Mr. and Mrs. Elmer Boudreau and family. Mrs. Nan Sedzik and Mr. and Mrs. Martin Adler of Chicago, Mr. and Mrs. Ed Van Donk of Melrose Park, Mrs. Frances Van Donk of Hazelcrest, Mr. and Mrs. Jack Van Donk and family of Chicago Heights.

The board of education of Ann Rutledge school will hold its next meeting Monday, June 19, at the school.

IN THE CHURCHES
ST. ANTHONY'S
Rev. Cecil Koop, pastor
Sunday masses at 9 a.m. and 10 a.m.

CALVARY BAPTIST
Rev. S. E. Waldemer, pastor
Sunday school at 10 a.m. Sunday worship services at 10:45 a.m. Sunday evening service at 7 p.m. Wednesday evening prayer meeting at 7 p.m.

Test First Flying TV Station

Equipment to receive signals from the world's first flying television station will be installed at Sycamore's West Elementary School before June 19, according to Dr. Blanche Owens

coordinator of educational television at Northern Illinois University.

Preliminary tests made last week indicate that with a taller antenna tower, the signals broadcast from a plane circling over northern Indiana can be received at the Sycamore school, she said. The school is a demonstration facility in the Midwest Program of airborne television instruction.

When completed, 12 classrooms and the cafeteria at West School will be equipped for television reception. Twelve portable sets will be provided. Dr. Owens said that with a satisfactory demonstration facility available, it will be possible to conduct a June 19-July 8 workshop at NIU to acquaint teachers and school administrators with the use of television in the classroom.

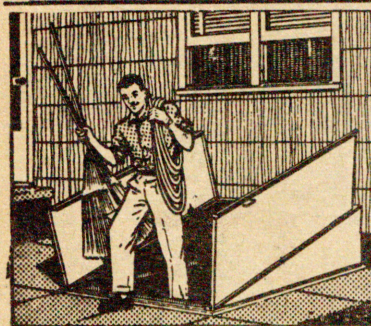

The auditorium and three classrooms at the NIU university school will also be equipped to receive the airborne instruction, Dr. Owens stated.

Napoleon gave Benjamin Delessert the Cross of Honor after Delessert started a small sugar beet factory in Passy, France. The country was cut off from West Indies cane sugar at the time because of the Napoleonic wars.

any and all bids.
JOHN J. DUFFY, President,
Forest Preserve District of
Cook County

NOTICE OF SPECIAL
ELECTION
NOTICE IS HEREBY GIVEN
to all legal voters residing with-
in the area hereinafter de-
scribed in Cook County, Illinois,
that a special election will be
held on the 27th day of June,
1961 for the purpose of submit-
ting to the legal voters thereof
the following proposition:
Shall the following described
territory, the North East Quar-
ter (1/4) of the North West
Quarter (1/4) of the North
East Quarter (1/4) of the North
East Quarter (1/4) of Section
27, Township 36 North, Range
12, East of the Third Principal
Meridian, described as follows:
Commencing at the intersec-
tion of the centerline of 167th
Street and the centerline of
94th Avenue; thence easterly
along the centerline of 167th
Street to the East line of the
West One-half (W 1/2) of the
North East Quarter (1/4) of the
Section 27, Township 36 North,
Range 12, East of the Third
Principal Meridian; thence
South along said line of Section
27, Township 36 North, Range
12, East of the Third Principal
Meridian to the intersection of
169th Street; thence West along
the centerline of 169th Street
to the intersection of the center-
line of 169th Street and 94th
Avenue; thence North along the
centerline of 94th Avenue to the
point of beginning at the inter-
section of the centerline of 167th
Street and the centerline of 94th
Avenue; all being situated in the
County of Cook and the State of
Illinois, be incorporated as a
village under the general law?
For said special election, said
District shall constitute a
single election precinct, and the
polling place therefore will be
as follows:
1672 South 90th Avenue
Post Office Address: Tinley
Park, Illinois.
The polls of said election will
be opened at 6:00 o'clock A.M.
and closed at 6:00 o'clock P.M.
By order of the County Judge
of Cook County,
This notice is given this 1st
day of June, 1961,

Met. Planning Group Discusses Flood Controls

With flood threats to the Will county area likely to increase in the future, representatives of the Northeastern Illinois Metropolitan Planning commission told community leaders Wednesday that a flood map of the six county area is being prepared.

Cost to Will County for its part of the map would be about \$25,000.

The flood control experts stated that the map is essential to the city and county in future planning since business and industry is often desirous of knowing about land that is prone

to flooding.

One of the speakers said that a prominent developer had approached the commission with plans for a new city of 30,000, east of the New Lenox-Mokena area. The developer, it was said, said that new business and industry would come with the formation of the city. He said that flood and drainage problems in some of the area had temporarily halted plans for the city.

One of the speakers, Jack Sheaffer, a hydrologist with the commission, admitted that when the new O'Brien locks are completed, locks in the Calumet Sag channel will be removed and when Lake Michigan rises it will greatly increase the flowage thru the Illinois waterway. Schaeffer said that better control of the waterway flow would be possible by the construction of a spillway near Willow Springs and another at the junction of the Sanitary & Ship canal and the Calumet Sag channel.

He said that a plan is being formulated whereby the Army Corps of Engineers would be responsible for the water at Brandon Rd. in Joliet and below. It was also revealed that ex-

tensive work on the Illinois waterway would be undertaken to improve the flowage.

Robert R. Williams, senior civic engineer for the Metropolitan Sanitary District of Greater Chicago, said that a survey has been made of the Ship & Sanitary canal and the Illinois waterway.

He said that it has been proposed that an old Lockport power dam, never removed when the waterway was built, would necessitate removal now between one and two-and-one half million yards of rock to allow for improved flowage and lessen flooding.

Williams called for extensive improvements in the DesPlaines river as far north as Wisconsin.

"Nobody has any control over the DesPlaines," he said, "but we're going to recommend improvements to curb flooding."

Hickory creek is going to undergo further study, Williams promised, but he said it would have no effect on Joliet.

Joliet gets drainage from the entire DesPlaines area basin, Williams pointed out, as far north as Kenosha, Wis.

Another speaker, W. J. Bauer, consulting engineer for the commission, stressed the retention of water as one means of preventing floods.

Comparing water flowage with traffic movement, Bauer said that if we think of flood problems in relation to space allocation, we get a better perspective.

He suggested temporary "parking spaces" for floodwaters, such as recreation areas, which would not be seriously damaged in the event of a flood.

"When we deal with the flood problem, we're dealing with management of a resource," Bauer asserted.

Bauer was critical of some communities that spend millions on storm sewer programs when they are not needed.

He blamed homeowners and developers for much of the flooding in urbanized areas. He said that if water was permitted to run into the yard rather than permit downspouts to drain into the sewer, it would alleviate some of the flood problems.

Bauer suggested that many business centers could build reservoirs to store water until it could be released gradually into drainage areas.

"Floods begin on the roof-

tops and in the back yard," Bauer said, "and it is our responsibility to curb this water as best we can."

Still another speaker, A. L. Tholin, administrative engineer of the Chicago department of public works, was critical of the high pollution in streams such as Hickory creek, the DuPage and DesPlaines rivers, despite the fact that most cities today have sewage disposal plants.

He suggested that dams might be built to hold back the waters of Spring and Hickory creeks, but that the plan had previously been rejected because it was called "too costly."

Tholin said that little streams and a considerable amount of natural drainage is being covered up by developers and builders without realizing that they impede drainage problems.

For many years, officials of Joliet and Will county have made an effort to get state or federal funds to build lakes at the headwaters of Hickory and Spring Creeks. It was suggested that these efforts not be abandoned, with possible appeal to legislators to continue a campaign to obtain man-made lakes for recreation and to control creek waters.

S. B. Westby, district superintendent of the Joliet division

of Commonwealth Edison Co., presided at the meeting. Westby also is chairman of the Industrial Development committee of the Joliet Association of Commerce.

Among officials in attendance were Edward Liberty, Jr., chairman of the Will County board of supervisors; Councilman William H. Wilson of Joliet and Sam Basan, superintendent of the Joliet Park district. The meeting was held at the Woodruff hotel in Joliet.

Expect Largest Freshman Class At Normal U.

The largest freshman class in the 104 year history of Illinois State Normal University is expected to register in September.

Among the students from this area, as of this date, who have been accepted for admission this fall are: Jacqueline Emmett, Leona Guzik, and Beverly Kluth all of Frankfort; Karen Korista and Janet Schwab, both of Mokena; all are graduates of Lincoln-Way high school. Also Karen Anderson, Earl Breitharth, Jan Custer, Susan Davidson, Kathleen Haas, John

Lohmann, Arthur and KayMaue all of Tinley Park; Susan Clayton, and Arlene Rutz of Palos Heights; and April Rice of Palos Park. These students recently graduated from Carl Sandburg high school.

Other applications for admission are being approved each week.

L-W Students Enjoy Day At Indiana Beach

One hundred and fifty-two students and their sponsors from Lincoln-Way high school spent a day of swimming, boating, roller skating, sun bathing, and amusements at Indiana Beach on June 2.

The group most enjoyed the

new 75 foot toboggan slide, however. The slide, one of the largest in the state, allows each rider to build up a tremendous burst of speed before skimming out over the Lake Shafer water-front.

Chaperons for the group included Kenneth Kenny, Thomas Flanigan, Miss Roslie Johnson, and Mrs. Jane Bills.

"The trouble with being a good sport is you have to lose to prove it."

BUCKET SEATS ALONE DO NOT A MONZA MAKE

■ Gee! ■ Little did we know, when we introduced the Corvair Monza last year, that we were starting a Big Thing. We just thought it would be pleasant if you could buy a car that treats you, the driver, like you want to be treated. ■ The bucket seats, of course, are the most obvious evidence of our desire to please you. But they're not the most important thing. No sir. What's really vital is the way a Monza handles—something nobody in the U.S. has yet copied. Or can copy. Because Corvair is the only rear-engined car made in this country, and you know what that means: steering light as thistledown. (You even park this one more easily, it steers so briskly.) Beautifully balanced braking—the car stays level even under panic braking, which we hope you'll never have to do. Traction and more traction, so you don't become a stick-in-the-mud. The kind of cornering that's sheer joy to experience. ■ You get more: a fully independent suspension that blots out road shocks before they can ruffle you. Clean, crisp styling. Thoroughgoing economy, from purchase price to operating cost. ■ You're not going to be satisfied with bucket seats alone, are you?
